

Christening the Dancer

An abstract painting with a vibrant, textured background. The top portion is dominated by warm, glowing colors like orange and red, suggesting a sunset or sunrise. Below this, the colors transition into cooler tones of green and blue. In the lower right quadrant, there is a prominent, bright yellow-orange shape that resembles a stylized figure or a piece of fabric. The overall composition is dynamic and expressive, with visible brushstrokes and a rich palette.

Christening The Dancer:

Christening the Dancer , **Christening the Dancer** John Amen,2003 These poems address a variety of dark issues including childhood abuse addiction mental illness and suicide The speaker plunges into his own painful history replete with allusions to familial and romantic dysfunctions as well as struggles with alcohol and drugs and in so doing invites the reader to accompany him to be both a witness and revisit the unhealed parts of his or her own life Through immersing himself in the grief that his descent facilitates the speaker initiates a process of personal integration a process of voicing and thereby acknowledging the repugnant and debilitating aspects of his story The speaker visits and submerges himself in the reality of his own darkness As a result a catharsis and powerful healing occurs By putting the spotlight on and fully divulging his wounds the speaker is in essence able to transcend and triumph over them and in turn experience a new found sense of empowerment Likewise the reader inspired to embark upon a parallel journey is led to plumb the shadowy places of his or her own story and in so doing emerge from the reading experience with a heightened sense of wholeness a deeper sense of connection to the life force at large The Dance ,1930 **The Private Life of the Queen** Member of the Royal Household,1897 **The Private Life of the Queen** Victoria (Queen of Great Britain),1901 **The Boyhood of a Great King, 1841-1858** Alexander Meyrick Broadley,1906 **Bodycage** Rehana Incognito,2011-06-01 DescriptionCaught up in the migration boom of the 1960s the small child moved as a Ten Pound Pom for this better life promised by her quarrelling parents From their first new home a dry dusty mineral mining town in North Western Australia Riannon relocated to a small harbour city already aware of feeling like a fish out of water After training in hospitality and nursing as more of her essential self grew and unfolded she became an exotic dancer captivating the minds of powerful businessmen across the Far East In an underworld alternative community of gay lesbian transgender and everthing in between Riannon followed the standards of others finding herself exploring every area of the sex industry from high class escort to internationally intimidating bondage Mistress She wandered the many twisted often dirty paths Her journey and all those she met befriended lost or buried along the way add to the triumph of self discovery and a woman s true worth Through the eyes of the mysterious veiled Unknown Dancer she became Rehana Incognito now taking your hand on the journey to that point we can all reach which started for herself as a little boy About the AuthorFrom a coal mining village in the North of England to a mineral mining town in Western Australia Riannon was dragged by brawling parents as a small child to an unfamiliar upside down world where her parents had come for a better life in the 1960s Experiencing incomprehensible racism along with an awareness of not fitting in her world seemed shattered in many directions Through childhood teens and into adulthood she looked at life from many sides Good or bad light or dark power or helplessness and all it could mean to be male or female The journey down many of those paths took her through a unique perspective of personal growth and discovery to create her own dance and tune for the person she is today Always keeping an open mind of observation understanding and compassion she tugged herself from

one end of these spectrums to the other Riannon who became the celebrated bellydance performer Rehana Incognito unravelled and absorbed the essence of her own powerfully respectful femininity through the unfolding steps of Middle Eastern Dance She now lives in Notting Hill West London There with warmth humour and hope she encourages others searching for their centre and true self either through the confident power of dance or the guidance of a caring hand reaching back in friendship
