Jeff Goodwin, James M. Jasper

Dynamics Of The Armed Struggle:

The Dynamics of the Armed Struggle J. Bowyer Bell, 2012-10-12 This is an analysis of one of the most prevalent forms of political violence at the end of the millennium The author has been shot at kidnapped expelled and questioned in wars from Central America to Northern Ireland The book reflects his access to the cultures of political violence

Dynamics of Political Violence Chares Demetriou, 2016-04-29 Dynamics of Political Violence examines how violence emerges and develops from episodes of contentious politics By considering a wide range of empirical cases such as anarchist movements ethno nationalist and left wing militancy in Europe contemporary Islamist violence and insurgencies in South Africa and Latin America this pathbreaking volume of research identifies the forces that shape radicalization and violent escalation It also contributes to the process and mechanism based models of contentious politics that have been developing over the past decade in both sociology and political science Chapters of original research emphasize how the processes of radicalization and violence are open ended interactive and context dependent They offer detailed empirical accounts as well as comprehensive and systematic analyses of the dynamics leading to violent episodes Specifically the chapters converge around four dynamic processes that are shown to be especially germane to radicalization and violence dynamics of movement state interaction dynamics of intra movement competition dynamics of meaning formation and transformation and dynamics of diffusion

The Social Movements Reader Jeff Goodwin, James M. Jasper, 2014-10-13 Providing a unique blend of cases concepts and essential readings The Social Movements Reader Third Edition delivers key classic and contemporary articles and book selections from around the world Includes the latest research on contemporary movements in the US and abroad including the Arab spring Occupy and the global justice movement Provides original texts many of them classics in the field which have been edited for the non technical reader Combines the strengths of a reader and a textbook with selected readings and extensive editorial material Sidebars offer concise definitions of key terms as well as biographies of famous activists and chronologies of several key movements Requires no prior knowledge about social movements or theories of social movements

Political Violence and Kurds in Turkey Mehmet Orhan, 2015-10-16 The Kurdish conflict is an acknowledged long standing issue in the Middle East and the emergence of radical Kurdish nationalist movements in the 20th century played a decisive role in the evolution of political violence Political Violence and Kurds in Turkey examines how this political violence impacts Kurds in contemporary Turkey and explores the circumstances that move human beings to violent acts It looks at the forms political violence takes and in which times and spaces it occurs as well as the roles played by micro and macro factors It takes a theoretical approach to violence as both producer and product of interrelations between many actors and contextualises this with studies of violence in Kurdish villages and towns The book evaluates the three levels at which political violence operates between the state and Kurdish movements among Kurdish groups and between Kurdish political organizations and Kurdish society and divides it into its different aspects and processes fragmentation segmentation

signifying intra ethnic struggles between Kurdish actors mobilization the course leading the Kurdish movement to armed conflict participation the use of violence by individuals and repertoires the forms taken by political violence Offering an in depth analysis of the dynamics behind political violence and its use amongst Kurds in Turkey this book will be a key resource for students and scholars of Middle Eastern Kurdish Studies and Conflict Studies and offers new understanding and approaches to the study of political violence
