Dysfunction And Heartache 1:

Dysfunction & Heartache: Book 1: The Book Series That Sets You Free! Miranda J. Carr, 2006-06 Since I felt I was a whore I began to act like one This was my way of lashing out but I was not hurting anyone but myself I was depressed and suicidal and this was my revenge for the men who took advantage of me I stayed in the house for a few weeks and collected my thoughts Outside of going to work I did not leave the house for any reason Roland began to suspect something was wrong but he never pressured me about anything My mother was back in Brooklyn taking Lance home She really liked Talique and wanted me to become involved with him Talique was sweet and I really liked him He would walk me home from work with Roland all the time When he bought pizza for the kids on the block I was hooked I wanted to get to know him but once I was raped I did not want him I did not feel I deserved a nice man like him I did not think I deserved anything but the garbage I was being dealt I loved him but my hurting heart would not allow me to show him I was raped yet again and he deserved better than me To me I was doing him a favor by leaving him and hooking up with a boy named Tony Piper Tony was nice but I did not care about that He was not what I wanted but he was what I deserved I thought I would make myself pay for the dishonor other men had bestowed on me by just drowning myself in sex with Tony Since this is the ONLY man I gave myself to freely I considered that my first time This was my way of disobeying God and showing him that I can control my life and any man I want to have I can have without permission Oh how diluted my thinking was How much pain and suffering I was going through What I needed was Jesus but I could not see that until my life began to get out of control I felt I was punishing him for all the wrong the men of the world had put on me but I was the only one suffering The longer I was with Tony the more I contemplated suicide I wondered if he would have mourned me like Talique would have I often wondered if any of them would have mourned me the way this man would have Once I came to the conclusion that what I was doing was wrong I broke it off with Tony It had been three weeks and all we did was have sex He never asked me any questions about how I was feeling or even if I wanted to be with him It was always about the sex This I did not want or need I needed to feel loved to be loved unconditionally to be free to be me and to cry when I wanted to when I needed to That was what I needed and only Talique could give that to me Or could he When I left Talique I broke his heart I did not mean to do that but I did If only he could have understood what I was going through at the time I am sure he would have not wanted me anyhow How wrong I was This man loved me He loved me in every sense of the word and if I told him what had happened to me he would have killed Callum Maybe that is the reason why I did not tell him or Roland I did not want or need a big fight because then everyone would have known and I would have put a lot of people in danger My Uncles my friends and my family would have been affected by what I let happen to me This I could not bear I wanted to make Tony pay for all the wrong others had done to me I realized that I was the only one paying the price There was a man that introduced me to his family walked me home from work every day and was always at my house to spend time with me He even took me clothes shopping because he knew

I loved miniskirts He was everything I ever wanted but did not deserve I was so messed up in the head but once I talked to God I knew I had made a mistake I would sit in my room in the dark every day waiting to hear from God I demanded an explanation for all the hurt and pain I had to endure and was not going anywhere until I received it It never came or maybe it did but I was too angry and hurt to pay attention *Dysfunction and Heartache* Miranda Carr,2005-10-31 In the first book of this three book series Miranda J Carr sets the stage for Vivian Ellerton Staunton in *Dysfunction Heartache Book 1* Vivian is a hurtful unremorseful woman living in the shadows of others and dealing with the demons of sexual mental and physical abuse she suffered as a child We will follow Vivian from her early childhood to her late teens sympathizing with the bombardment of anguish and despair with which she is forced to deal Not understanding why she must walk this road alone Vivian begins to accept her life as a curse and curses God for leaving her in her time of need Not knowing that God is with her all the way Vivian engages in unhealthy life choices that she remarkably survives In order to embrace her future Vivian must encounter those dark memories she did not want to remember and face the memories she will never forget *Dictionary of the Bencao gang mu, Volume 1* Zhibin Zhang,Paul U.
