Ea More Than Think:

Thinking Like a Human David Weitzner, 2025-05-13 A bright and timely book that celebrates the value of the human mind AI is at the forefront of everyone's minds from students and artists to CEOs and service workers But what exactly is AI and how does it influence our everyday lives And more than that what does it mean for our future Is there a way for us to retain our humanness in a world ever reliant on tech This groundbreaking book argues that the key technology we use to make strategic political and ethical decisions is flawed As we race headlong into a future where we outsource all of our problem solving to artificial intelligence the greatest threat to humanity is not superintelligent machinery but a lack of trust in the power of our own minds This book offers a new way forward what Dr Weitzner calls artful intelligence a philosophy that celebrates our humanness and can help each of us make better decisions and create a healthier relationship with the world around us In these pages the author walks us through how AI often fails and how that affects our lives But readers will also meet the rockstars inventors and business leaders who embody artful intelligence and are changing our world for the better in an era rampant with AI malpractice while being taught how to do the same

Stuck in the Middle with You Jennifer Finney Boylan, 2014-04-22 New York Times bestselling author Jennifer Finney Boylan returns with a remarkable memoir about gender and parenting that discusses how families are shaped and the difficulties and wonders of being human A father for six years a mother for ten and for a time in between neither or both Jennifer Finney Boylan has seen parenthood from both sides of the gender divide When her two children were young Boylan came out as transgender and as Jenny transitioned from a man to a woman and from a father to a mother her family faced unique challenges and questions In this thoughtful tear jerking hilarious memoir Jenny asks what it means to be a father or a mother and to what extent gender shades our experiences as parents Through both her own story and incredibly insightful interviews with others including Richard Russo Edward Albee Ann Beattie Augusten Burroughs Susan Minot Trey Ellis Timothy Kreider and more Jenny examines relationships between fathers mothers and children people's memories of the children they were and the parents they became and the many different ways a family can be With an Afterword by Anna Quindlen *Stuck in the Middle with You* is a brilliant meditation on raising and on being a child Now with Extra Libris material including a reader's guide and bonus content

Evaluability Assessment Michael S. Trevisan, Tamara M. Walser, 2014-08-06 Evaluability assessment EA can lead to development of sound program theory increased stakeholder involvement and empowerment better understanding of program culture and context enhanced collaboration and communication process and findings use and organizational learning and evaluation capacity building This book provides an up to date treatment of EA clarifies what it actually is and how it can be used demonstrates EA as an approach to evaluative inquiry with multidisciplinary and global appeal and identifies and describes the purposes and benefits to using EA Using case examples contributed by EA practitioners the text illustrates important features of EA use and showcases how EA is used in a variety of disciplines and evaluation contexts This

text is appropriate as an instructional text for graduate level evaluation courses and training and as a resource for evaluation practitioners policymakers funding agencies and professional training
