Angels, Dreams, Visions G. Allen Grootboom, PhD, 2016-06-21 Angels dreams and visions we all experience these adventures in mind body or soul in real time in thought or in dreams We dream about strange worlds have strange encounters where we are told of things to come but not of when People operate like magnets attracting people and events into our lives and pushing people away This book is about those events those meetings those dreams It is a journey into our knowing of our imaginary worlds It is also about your journey into your thought life where the thoughts come from and where they vanish to It is about our alone life Dreams, Visions, and Spiritual Authority in Merovingian Gaul Isabel Moreira, 2002-02-15 In early medieval Europe dreams and visions were believed to reveal divine information about Christian life and the hereafter No consensus existed however as to whether all Christians or only a spiritual elite were entitled to have a relationship of this sort with the supernatural Drawing on a rich variety of sources histories hagiographies ascetic literature and records of dreams at saints shrines Isabel Moreira provides insight into a society struggling to understand and negotiate its religious visions Moreira analyzes changing attitudes toward dreams and visionary experiences beginning in late antiquity when the church hierarchy considered lay dreamers a threat to its claims of spiritual authority Moreira describes how over the course of the Merovingian period the clergy came to accept the visions of ordinary folk peasants women and children as authentic Dream literature and accounts of visionary experiences infiltrated all aspects of medieval culture by the eighth century and the dreams of ordinary Christians became central to the clergy's pastoral concerns Written in clear and inviting prose this book enables readers to understand how the clerics of Merovingian Gaul allowed a Christian culture of dreaming to develop and flourish without compromising the religious orthodoxy of the community or the primacy of their own authority **Understanding Dreams, Visions, and Prophecies** Dr. Deborah Manoushka Paul

,1925 **Dreams and Visions** William Booth,2017-08-09 This wonderful book is in some ways similar to The Christmas
Carol by Charles Dickens but in some ways it is like Pilgrim s Progress The five dreams and visions teach us important
lessons and reveal important truths It should not be looked upon as a book about Heaven it is not about Heaven but Heaven
is merely the location where two of the dreams take place What is important is what happens to the man in the dreams
Though not as old as Pilgrim s Progress it needed to be updated so I have changed many archaic words and changed a few
phrases that were not clear I have also changed chapter titles to be more representative of the actual content of the chapters
I have even changed the original title of the book which was merely Visions but it is clear that they are mostly dreams
