Drinkers Guide To The Middle East:

The Drinker's Guide to the Middle East Will Lawson, 1997 A surreal sharp and often hilarious introduction to the countries of the Middle East From Berbers to bars war zones to weed The Drinker's Guide combines practical information for the traveller worker with barely concealed swipes at the vagaries of back packing culture It is not a guide book in the traditional sense of the word it won't tell you where to stay or what sights to see or where to buy the cheapest water pipe It addresses something far more fundamental the culture and mind set of the region and the ways in which the western tourist inevitably clashes with that As the relationship between the West and the Middle East becomes increasingly fraught Will Lawson analyses not only the political situation but your position there as an individual whether you are tourist or contract worker He is as incisive about inter Arab relations There is no place here for romanticism or political correctness Lawson's sympathies lie very clearly with the modern Arab and his acerbic wit is generally aimed at the serious traveller the liberal western voyeur His advice is both pragmatic and practical how to get the most from the Middle East without causing widespread offence and without living like a monk The book covers amongst other things advice for contract workers Arabic politics religion and how to deal with border guards Also an all new method for learning the Arab alphabet and of course advice for the barfly In the face of the ubiquitous bland and patronising guide book Will Lawson is a breath of fresh air incisive and opinionated and definitely not for the faint hearted **The Thinking Drinker's Guide to Alcohol** Ben McFarland, Tom Sandham, 2014-11-04 Inspired by its successful run at the Edinburgh Fringe Festival The Thinking Drinker's Guide to Alcohol presents a dryly humorous cultural history of liquor for those who long to drink less but drink better Written by two of the UK's top drinks journalists it celebrates alcohol's influence on life love literature and learning The amusing alternative and intellectual guide spans the ages from Ancient Egypt to the gin drenched debauchery of eighteenth century London to absinthe induced French impressionist art and beyond Here you will learn how drink has oiled the wheels of civilization and invigorated the minds of history's greatest figures **Edinburgh and Glasgow Eating and Drinking Guide**, 2002-07 This title features over 250 restaurants bars and cafes in Edinburgh and Glasgow fully reviewed by local experts The critics who review anonymously and pay for their meals advise on the best venues rising chefs and emerging trends across the whole spectrum of price bands and cuisines It includes information on the best of the two cities eating options from Scots Italian caffs to Michelin starred restaurants critics choices plus best bets for vegetarians alfresco dining brunch romantic rendezvous and more These locations are all marked on the colour maps with details of opening times prices and transport **Brussels and Antwerp Eating and Drinking Guide**, 2002-07 The war against Afghanistan was one of the most secret conflicts in recent history thousands of journalists covered it yet ironically little is know about how it was waged or what really happened **Paris Eating and Drinking Guide** Time Out, Penguin Books, 2003-10 Time Out's highly respected and high selling Paris Eating Guide is converted into small pocketable format for its new eating series Over 250
