Stellified! C. Amaranth,2022-12-07 A sunrise of pink purple splendor A blanketed forest of snow A loving embrace soft and tender The crunch of our footfalls below I surrender to sweet grey November A dazzling crystalline glow I have danced over frozen pond waters And swam across cold winter skies Preceded by Pleione s daughters And their angst for my glorious rise I will forge my own fate and my fortune Where the stars shine my name in their eyes But our wonderland world of perfection Erupts with the sound of a choir Peaceful silence now met with objection And seven strong voices inquire Self reflection demands a correction Will you repent or will you face the FIRE I m in love with you You re in love with me Stars align and they agree This is our destiny I will not live minimal or diminished I ll give my all and I ll fall when I m finished My heart shall inspire and lift others higher Our beauty will be sanctified In meteor showers and fields of starflowers

My love and my life Stellified Face Value Autumn Whitefield-Madrano,2016 Part social commentary part cultural analysis part careful investigation and part powerful personal anecdotes a provocative book explores the relationship between appearance and science social media sex friendship language and advertising to show how beauty actually affects us day to day
