Christian Counseling Ethics Randolph K. Sanders, 1997-06-09 A client raises spiritual questions Can a

Christian therapist working in a government agency talk with a client about faith A young couple with two children asks a Christian counselor to help them negotiate an end to their marriage What responsibility does the counselor have to try to repair the relationship A youth group member confidentially reveals to the pastor that he is taking drugs Should the pastor tell the boy s parents A counselor who teaches a college course has a client show up for class What should she do These are just a few of the complex dilemmas that therapists counselors and pastors face nearly every day Handling these situations appropriately is critical for both the client s progress and the professional s personal credibility and protection from liability State and federal codes professional association statements and denominational guidelines have been drawn up to address ethical issues like competence confidentiality multiple relationships public statements third parties and documentation In this book you ll find them all compiled and interpreted in light of Christian faith and practice Written by qualified professional counselors and respected academic instructors this book is an indispensable resource for understanding and applying ethics in Christian counseling today

Dual Relationships in Counseling Barbara Herlihy, Gerald Corey, 1992-01-01 Issues involving dual relationships in counseling are discussed in this monograph Dual relationships occur when counselors have another significantly different relationship with one of their clients students or supervisees This monograph is intended to be a resource that reflects the current thinking of the counseling profession and that represents the diversity of opinion that exists The book is organized in four parts Part I contains two chapters that provide a general introduction and overview of dual relationships In chapter 1 the issues and areas of concern are defined In chapter 2 the focus is on sexual dual relationships The considerable body of existing literature is reviewed and discussed and questions are raised about some gray areas The remainder of the monograph focuses primarily on non sexual dual relationships In part II containing chapters 3 4 and 5 issues in the preparation and supervision of counselor trainees are examined Part III containing chapters 6 11 focuses on how dual relationships affect practitioners in various settings and aspects of their work Issues that confront counselors in private practice college personnel workers school counselors rehabilitation counselors group counselors and consultants are discussed In the single chapter of part IV chapter 12 key themes are identified questions are asked to encourage integration and reflection and a decision making model is presented It is noted that dual relationships especially nonsexual dual relationships will in all probability continue to be discussed and debated well into the 1990s ABL

Dual Relationships in Counselling & Psychotherapy Gabrielle Syme, 2003-08-07 This thought provoking book should be required reading for all trainers practitioners and supervisors It examines the complex issues that arise when the clinician enters into a relationship with the client beyond the psychotherapeutic boundaries Healthcare Counselling and Psychotherapy Journal A recent development in the profession is a consideration of the appropriate use of touch This is looked at in some detail in this book with useful guidelines of the issues to be considered in deciding whether to touch a client or not The issue of dual relationships with clients trainees and supervisees affects most counsellors or psychotherapists at some point in their careers

Many practitioners are unclear about such boundary issues and how when and if it is appropriate to enter into a dual relationship whether as a friend business partner or sexual partner These relationships are seldom neutral and can have a powerful beneficial or detrimental impact on the person seeking help Dual Relationships in Counselling non sexual relationships for example requests for friendship gift giving and chance meetings outside the therapy room and dual relationships which inevitably occur in small communities and minority groups Exploring a subject which is often avoided and for some even taboo Dual Relationships in Counselling Psychotherapy is an invaluable source of advice for trainees and practitioners alike *Ethical, Legal, and Professional Issues in Counseling* Theodore Remley, Theodore P.
