Of Dreams and Dragons Karpov Kinrade, 2017-10-17 From USA TODAY bestselling author Throne of Glass meets Game of Thrones My mum used to say One day your true self will be revealed And on that day your closest friends will turn against you My name is Sky Knightly I had an ordinary life My work as a firefighter My kids Rinse and Repeat Until someone kidnapped my little girl Kara I'll do anything to get her back So when a mysterious stranger offers me a way to find her I have no choice but to agree Even though it means leaving everything behind Even though it means traveling to a new world Now I must train to be an Ashlord and fight in a war greater than any before A war between humanity and dragons If I trust the wrong person I'm dead If I love the wrong person I'm dead And if I die who will save Kara If I die who will save the world The dragons are coming Are you ready
