The Discovery of Dreams A-Z Greg Belter,2002-07-03 With much difficulty involving dreams it s more often helpful to find someone who s an experienced interpreter Perhaps the best you ll ever find will be through this fantastic read First hand knowledge of the spiritual realm and how it really is to benefit us on our way through the life of many riches indeed is truly a wonderful treasure Viewing the direction inside of a dream to where the bits of information will lead us can also be the clues God has given for solving the mysteries within our most valued life If the dreamer does block out each message given accidentally or not then it may develop up in time once again until the lesson has finally been learned and adhered to at last When we leave our body at night the hand of God s upon us whether it s through astral traveling or from his wondrous uplifting ways Above they re quite aware of what we re doing and what we need to do for solving what seems like an exciting quiz in dreaming Everything is for a reason as long as it s good and keep in mind the dreamer s job will be to do the handy work Good luck
