**Synesius concerning Dreams** Synesius of Cyrene,2018-01-03 It is an old tradition I think and quite in the manner of Plato to conceal the profound thoughts of philosophy behind the mask of some lighter treatment that thereby whatsoever has been acquired with difficulty shall not be again lost to men nor shall such matters be contaminated by lying exposed to the approach of the profane The end accordingly has been most zealously pursued in the present work and whether it attains this end and whether in other respects it is wrought with distinction after the manner of the ancients let those decide who shall approach it in a spirit of loving labour Augustine Fitzgerald **Echoes from Dream-land** Frederic Allison Tupper,1890
