Drinking With Calvin and Luther! Jim West,2003-05-01 *Drinking with Calvin and Luther!* Jim West,1996 **Alcohol in the Early Modern World** B. Ann Tlusty,2021-05-06 This book examines how the profound religious political and intellectual shifts that characterize the early modern period in Europe are inextricably linked to cultural uses of alcohol in Europe and the Atlantic world Combining recent work on the history of drink with innovative new research the eight contributing scholars explore themes such as identity consumerism gender politics colonialism religion state building and more through the revealing lens of the pervasive drinking cultures of early modern peoples Alcohol had a place at nearly every European table and a role in much of early modern experience from building personal bonds via social and ritual drinking to fueling economies at both micro and macro levels At the same time drinking was also at the root of a host of personal tragedies including domestic violence in the home and human trafficking across the Atlantic Alcohol in the Early Modern World provides a fascinating re examination of pre modern beliefs about and experiences with intoxicating beverages *Cup Overflowing* Gisela H. Kreglinger,2024-10-22 Wine is the most talked about food in the Bible and yet western Christianity has largely neglected this important biblical theme and fragrant gift of God Have you ever wondered what Jesus would drink Was his family perhaps involved in growing vines and making wine What would their family celebrations have been like And what might this tell us about God and how he wants us to live today Food and wine have become such hot topics in our culture and yet there is so much confusion and ambivalence around it as well We are so far removed from the world of the Bible and the agrarian life that it represents It is hard to envision the farms and fruit orchards the village wells and sheep herds the olive groves and vineyards that Jesus would have walked by every day Drawing on her upbringing in a long standing family tradition of winemakers and her degrees in biblical studies and spiritual theology Gisela Kreglinger introduces readers in a light hearted way to the theme of wine in the Bible throughout the history of the church and in the church s feasting and fellowship today She also addresses how many Christians are fearful or concerned about wine because of the challenges of alcohol abuse how to nurture a culture of healing from such disorders and how we are called to celebrate God s gift of wine to grow into a fuller understanding of the gospel as we await the return of the Bridegroom Jesus Christ In this book Gisela shows Christians that wine is a gift from God that we are to receive with gratitude and enjoy in wholesome communal and redemptive ways Features include Instructions for holding a wine tasting as a spiritual practice A biblical and theological reflection on the True Vine of John 15 A discussion guide for developing a healthy drinking culture *The Lutheran Quarterly* ,1888 *The Bible and the Drink Question* Edward Adams Cantrell,1915 *Drinking* John A. Star in the West and Glad Tidings, 1846 *Planning for Alcohol Education*, 1960 *Preachers in Politics* Edward Adams Cantrell, 1928 *The Search for God and Guinness* Stephen Mansfield, 2009-10-12 The history of Guinness one of the world's most famous brands reveals the noble heights and generosity of a great family and an innovative business The history began in Ireland during the late 1700s when the water in Ireland as well as throughout Europe was famously undrinkable and the gin and whiskey that took its place was devastating civil society It was a disease ridden starvation plagued alcoholic age and Christians like Arthur Guinness as well as monks and evangelical churches brewed beer that provided a healthier alternative to the poisonous waters and liquors of the times This is where the Guinness tale began Now 246 years and 150 countries later Guinness is a global brand and one of the most consumed beverages in the world The tale that unfolds during those two and a half centuries has power to thrill audiences today including the generational drama business adventure industrial and social reforms deep felt faith and the beer itself
