Hicks, 2022-11-03 Are you facing something seemingly insurmountable Have you allowed someone to intimidate you and don't see a way out Have you focused so much on the hurts and disappointments in your life that you have missed the blessings Then you need to read this true story of a woman who did Sometimes people and circumstances occur in our lives without warning and attempt to drain the sunshine from our days Regardless of what life hands us we have choices This book will make you laugh or cry with the turn of each page The chapter summaries detail how the people or circumstances contributed to who she became They were symbolically represented by pieces of colorful mosaic glass connected by gold tinted lead to form her mosaic window of life Jesus Christ represents the gold lead because He holds our lives together in all the storms we face He is also the Sunshine on our windows displaying His glory through us regardless of our circumstances The life lessons in these pages are endless and conducive for Bible studies or book clubs **Only You Can Be You** Erik Rees, 2009-07-07 Based on the psychological tenet that it takes twenty one days for a new behavior to become a habit Erik Rees presents twenty one daily principles for reminding readers of their individual importance Make your life count These four simple words spoken at the funeral of a four month old child haunted the author hitting him like a ton of bricks and causing him to wonder if he was making his own life count Contemplating what kind of legacy he would leave he wondered if there was anything about the present course his life was taking that would make a difference to anyone in the years to come Furthermore it hit him that these are the same thoughts most men and women ponder This challenged him to write this book focusing on principles that would help people's lives make an impact By the time many people reach adulthood they carry so much baggage that the weight of it distracts them from maximizing life and leaves them feeling insignificant for not doing much beyond surviving The book suggests that there are three great choices that affect every aspect of our lives These life choices relate to who we surrender our life to how we steward our unique gifts and the choices we make to help others

Learning to make the best choices in these three areas will influence every aspect of life and will resolve the why am I here questions Only You Can Be You does not offer simplistic choices which are quickly dismissed because they do not deal with reality but instead it shows that sometimes life s decisions require deep courage and strength The book strongly affirms that you can make the right choices and that when you do you will ultimately find significance The message of the author is that by making the best possible life choices readers will not only find genuine happiness and purpose but they will also leave a legacy that really makes a difference
