Du Bon Usage Des 35 Heures:

Liberté, Egalité and Fraternité at Work S. Jefferys, 2003-01-27 This book is a study of contemporary changes in French employment relations and management It includes an overview of the origins of the present employment institutions and practices as well as a critical appreciation of French work sociology but its main focus is on the evolution of the French political economy of work at the start of the 21st century Based on a combination of original research and findings from recent studies into French employment relations and the working practice of French firms it provides both an essential source for comparative purposes and an original approach to understanding change *Du bon usage des 35 heures* Nicole Notat, 1998-01-01

Abus et détournements du secret-défense Hervé Cosquer, 2007-05-15 Le secret d'ense On en parle souvent mais on le connaît mal C'est pratique pour qui veut tromper le citoyen Ce livre explique comment certaines institutions et leurs responsables abusent outrageusement de ce trop commode secret d'Etat Professionnel du secret ayant dirigé pendant dix ans l'un des services les plus sensibles des Renseignements Généraux l'auteur révèle ici les scandaleux détournements de la loi commis par une caste solidaire de dirigeants ou représentants de l'Etat protégés par l'ignorance générale

Library Acquisitions List Martin P. Catherwood Library, 1999 La revue de la Confédération française démocratique du travail, 2005 Développement des compétences, 3 volumes ensemble Nathalie Delobbe, 2002 Quelle place les entreprises laissent-elles désormais au développement des personnes L'évolution rapide des modes d'organisation du travail la flexibilité et la multiplication des changements et restructurations engendrent des défis majeurs

Impact des nouvelles formes d'organisation du travail issues d'un accord de réduction du temps de travail sur la vie au travail et hors travail des salariés picards ayant réduit leur temps de travail Jean-Baptiste Boulingui, 2007 **Réduire et aménager le temps de travail** David Alis, 2001 35 heures une des plus grandes formes que le monde du travail ait connu depuis ces cinquante dernières années Qui a inspiré ces lois Comment les acteurs de l'entreprise se sont-ils appropriés ces changements Quelles négociations ont été déterminantes Comment aujourd'hui se mettre en conformité Cet ouvrage met jour les difficultés concrètes de cette loi et propose des pistes concrètes pour réussir ce changement *Syndicalisme hebdo*, 2000 Bulletin critique du livre français, 1999 *Le Monde*, 2000

Un an après Pierre Moscovici, 2003-04-16 C'est un livre politique autant qu'une introspection Une lettre l'absent vaincu autant qu'une analyse de sa défaite Un témoignage pour soi-même et pour les autres Un affrontement enfin avec l'inexplicable laideur faite de Lionel Jospin et le passage aux oubliettes de la gauche plurielle après cinq ans de gouvernement honorable De tous ses ministres nul ne fut plus proche de Lionel Jospin que Pierre Moscovici le petit frère du patron de la gauche l'aveugle en rationalité politique mais aussi ami observateur fixant l'attention et l'affect contenu Laideur faite de Jospin fut aussi la sienne la fin d'une première vie politique entamée en 1984 au cours de laquelle il n'était alors que le premier secrétaire du P.S. Ayant hésité sur son avenir ayant choisi de continuer la politique Moscovici arrête le temps d'un livre et essaie d'être juste et vrai la fois Rejetant le simplisme et la nostalgie vitant la complaisance et l'auto

plaidoyer il revisite les années Jospin raconte le lent passage de la dignité retrouvée de la gauche à l'enfermement dans la satisfaction gouvernementale la transformation d'une dynamique politique en un enlèvement condamnant le chec l'erreur stratégique du retournement du calendrier les timidités de l'homme qui ne voulait pas être président le traumatisme de Lionel Jospin combattant pudique et orgueilleux dévoilé par ses biographes redoutant alors que le regard que portaient sur lui les Français ait irrémédiablement changé Il revient aussi sur la lente tragédie de la gauche ayant perdu l'audace sans même s'en rendre compte Jospin n'ayant su rester jospiniste a fini par perdre et la gauche avec lui Et Moscovici poursuivant l'histoire de la gauche combattant pied à pied ce qu'il appelle les simplismes de l'heure virages gauches modernismes ostentatoires destruction de l'idole affirme sa dignité en restant fidèle revendique les mêmes principes pour son tour hâter de l'avenir ou réinventer le possible

Sortir de la crise Pierre-Jean Cimmon, 2025-05-19 Sortir de la crise est le fruit d'un regard libre sans appartenance politique ni engagement associatif porté par une seule conviction l'amour de la France travers une analyse concise et percutante l'auteur retrace l'évolution du pays de la République gaullienne aujourd'hui en explorant ses mutations politiques économiques et sociales Face aux défis actuels il propose des réformes audacieuses indispensables selon lui pour éviter un déclin irrévversible Un plaidoyer clair et sans concession pour l'avenir de la France PROPOS DE L'AUTEUR Après une carrière intense en tant que directeur administratif et financier dans une PME Pierre Jean Cimmon souhaite transmettre son expérience et sa vision du monde de l'entreprise Convaincu que la critique doit être prise dans une société qui critique de moins en moins passionnée d'économie et trop peu privilégiée des réalités économiques juridiques et sociales il signe cet ouvrage pour partager son regard d'homme de terrain toujours guidé par la volonté de comprendre le réel
