A Short My House Essay for Class 1

I love nature and want my house to be in an area covered with many trees. I want to build a dream house with a garden where I can grow my fruits and vegetables. I would also like to have a big living room and four other rooms that can be used as a bedroom and study. My dream house would be a place where I would live happily with my family. It would be large with four rooms and should have a big common room. My house would also be a wonderful place decorated with beautiful paintings.

My dream house would have a trampoline room, a pool, a small waterfall, and a big garden. My whole family would stay in every room. In my house, I would have an enormous kitchen where I could help my mother cook. Moreover, I would also have a game world. It would be a house where my family and my pets could live together, surrounded by a large garden full of flowers and trees.
