Sellers Apprentice:

The Herring-Seller's Apprentice L.C. Tyler,2015-11-15 In this Edgar nominated cozy series opener a second rate British crime novelist and his quirky agent investigate his devious ex wife s murder A mediocre mystery writer and thus a purveyor of red herrings Ethelred Tressider has even less interest in writing his books than his dwindling fan base has in reading them and his agent the pesky nosy vulgar chocolate chomping Elsie has no interest in them at all But with a name like Ethelred things can always get worse and when Ethelred s dishy ex wife turns up dead they do The Case of the Dead Dish is the most exciting project Elsie s come across in years but however much she bullies Ethelred he refuses to take much interest in the mystery Chalk it up to some pathetic mid life crisis Maybe But how much more interesting would it be to note that Ethelred s lack of interest raises what might be called some extremely interesting questions Praise for The Herring Seller s Apprentice Fans of comic mysteries will welcome British author Tyler s debut Publishers Weekly Tyler is a stylish writer and his humor is both subtle and sly Booklist [The History of The Worshipful Company of Glass Sellers of London](#) Sidney Young,1913 **Learning on the Shop Floor** Bert De Munck,Steven L. Apprenticeship or vocational training is a subject of lively debate Economic historians tend to see apprenticeship as a purely economic phenomenon as an incomplete contract in need of legal and institutional enforcement mechanisms The contributors to this volume have adopted a broader perspective They regard learning on the shop floor as a complex social and cultural process to be situated in an ever changing historical context The results are surprising The authors convincingly show that research on apprenticeship and learning on the shop floor is intimately associated with migration patterns family economy and household strategies gender perspectives urban identities and general educational and pedagogical contexts
