

BORDER TROUBLE

Border Trouble

Sanford J. Lewis

Border Trouble:

Border Trouble Sanford J. Lewis,1991 **U.S.Mexico border issues and challenges confronting the United States and Mexico : report to congressional requesters** , *National Solutions to Trans-Border Problems?* Isidro Morales,2016-04-22 Triggered by the North American Free Trade Agreement NAFTA Canada the United States and Mexico redefined their public policies to facilitate the regionalization of transactions However this volume addresses the institutional gaps that still remain focusing mainly on the cross border governance of security aspects It gathers interdisciplinary contributions of specialists working on continental issues within Canada the United States and Mexico and highlights the transnational dimension of certain issues still managed under national framed policies Furthermore it explores the possibilities and constraints for moving public policy into new cross border governance strategies Divided in three parts the first part assesses what is at stake in cross border governance issues and whether the integrative trend in the region will be maintained or stalled in the years to come The second part explores the growing scope of security problems interconnected with borders migration energy and drug trafficking across the region It highlights how Mexico and Canada are responding or adapting their policy choices to a continental security approach framed by the US after the terrorist attacks of September 11 and to the major concerns of the Obama administration The third part focuses on the governance of territorial borders and bilateral affairs i e Mexico US and Canada Mexico relations *Borders of Violence and Justice* Brian D. Behnken,2022-10-07 Brian Behnken offers a sweeping examination of the interactions between Mexican origin people and law enforcement both legally codified police agencies and extralegal justice across the U S Southwest especially Arizona California New Mexico and Texas from the 1830s to the 1930s Representing a broad colonial regime police agencies and extralegal groups policed and controlled Mexican origin people to maintain state and racial power in the region treating Mexicans and Mexican Americans as a foreign population that they deemed suspect and undesirable White Americans justified these perceptions and the acts of violence that they spawned with racist assumptions about the criminality of Mexican origin people but Behnken details the many ways Mexicans and Mexican Americans responded to violence including the formation of self defense groups and advocacy organizations Others became police officers vowing to protect Mexican origin people from within the ranks of law enforcement Mexican Americans also pushed state and territorial governments to professionalize law enforcement to halt abuse The long history of the border region between the United States and Mexico has been one marked by periodic violence but Behnken shows us in unsparing detail how Mexicans and Mexican Americans refused to stand idly by in the face of relentless assault **Cross Border Security in the Southern African Region** Inocent Moyo,2024-07-29 This book provides a sophisticated analysis of cross border challenges and problems in the southern African region It advances explanations that transcend the state centric narrative that has nationalised cross border security It provides insights from non state actors such as informal cross border traders ICBTs informal cross border transporters undocumented migrants and

cross border communities It argues that security needs to be understood beyond a state centric paradigm by focusing on the political economic environmental and societal threats at macro meso and micro levels The book suggests that at the core of cross border security challenges in the Southern African region is a post colonial governmentality This drives the nationalisation of cross border security as though it is the only security leading to nation states in turn depoliticising and invisibilising the security and livelihoods of ordinary people even when nation states claim to be protecting the same The book will be a useful resource for students scholars and researchers of African Studies Border Studies Human Geography Migration Studies Development Studies International Studies International Relations Political Science and Security Studies

General Laws of the State of Idaho ... Idaho,1921 *History of the Town of Hollis, New Hampshire, from Its First Settlement to the Year 1879* Samuel T. Worcester,1879 **The American Secretaries of State and Their Diplomacy** Samuel Flagg Bemis,1928 **House documents** ,1879 **Brooklyn and Long Island in the War** ,1918 **pt. 2. Soils and crops** Edward Loomis Davenport Seymour,1922 **Compressed Air Magazine ...** ,1923 Cultural Strategies of Agenda Denial Roger W. Cobb,Marc Howard Ross,1997 This is the first book devoted to examining why some issues proposed by aggrieved individuals or groups are denied access to policy agendas The book contains case studies that look at the policy process from the perspective of the strategies opponents often use to ensure agenda denial strategies usually motivated by perceived threats to widely held world views and identities **Gardening** ,1913 **The Register and Records of Holm Cultram** Holme Cultram, England,Francis Grainger,1929 Convention National Electric Light Association. Convention,1919 **The American Issue** ,1928 **The School Herald** ,1883 **Four American Pioneers: Daniel Boone, George Rogers Clark, David Crockett, Kit Carson** Frances Melville Perry,Katherine Beebe,1900 **Collections of the Kansas State Historical Society** Kansas State Historical Society,1904
