Borribles Go For Broke

**R. Reginald, Mary Wickizer
Burgess, Daryl Furumi Mallett**

Borribles Go For Broke:

The Borribles Go For Broke Michael de Larrabeiti, 2005-11 In the unspecified future in London a war erupts between the Borribles a gang of creatures who formerly were children and their arch enemies the Rumbles Borribles Go for Broke
Borribles Go for Broke Michael De Larrabeiti, 1981-01-01 Back in print for the first time in years the second book in the classic Borribles trilogy continues the saga of young runaways who apart from their pointed ears look just like ordinary children *Complete Critical Assembly* David Langford, 2002-10-01 This new collection of essays commissioned from a range of scholars across the world takes as its theme the reception of Rome's greatest poet in a time of profound cultural change Amid the rise of Christianity the changing status of the city of Rome and the emergence of new governing classes Vergil remained a bedrock of Roman education and identity This volume considers the different ways in which Vergil was read understood and appropriated by poets commentators Church fathers orators and historians The introduction outlines the cultural and historical contexts Twelve chapters dedicated to individual writers or genres and the contributors make use of a wide range of approaches from contemporary reception theory An epilogue concludes the volume **Ernst Bloch** Jack Zipes, 2019-08-03 This book provides a comprehensive introduction to and overview of the life and philosophy of Ernst Bloch Bloch has had a strange fate in the English speaking world He wrote his famous three volume opus *The Principle of Hope* while living in exile in the United States from 1938 to 1940 It was first published however in East Germany in the 1950s after he had returned to Europe and became a professor of philosophy at the University of Leipzig Gradually his other numerous works became better known and widespread in Europe and scholars in the US and UK started to take note of his works Yet he has still remained a somewhat neglected figure in the humanities While this book does not set out to entirely rectify this neglect it does offer readers an introduction to Bloch's works and the opportunity to understand more about the importance of utopian thought Through an exploration of some of Bloch's more controversial communist leanings and relationship to the Soviet Union a study of Bloch's utopian quest and even a comparison with J R R Tolkien this comprehensive study demonstrates just how interesting a figure Ernst Bloch really was and how his philosophy of hope has laid the basis for secular humanism *Fairy Tales and the Art of Subversion* Jack Zipes, 2007-05-07 The fairy tale may be one of the most important cultural and social influences on children's lives But until *Fairy Tales and the Art of Subversion* little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children's lives their behavior values and relationship to society As Jack Zipes convincingly shows fairy tales have always been a powerful discourse capable of being used to shape or destabilize attitudes and behavior within culture For this new edition the author has revised the work throughout and added a new introduction bringing this classic title up to date

The Borribles Michael de Larrabeiti, 2005-07-10 What is a Borrible Borribles are runaways who dwell in the shadows of London Apart from their pointed ears they look just like ordinary children They live by their wits and a few Borrible laws the

chief one being Don t Get Caught The Borribles are outcasts but they wouldn t have it any other way One night the Borribles of Battersea discover a Rumble one of the giant rat shaped creatures who are their ancient enemy in their territory Fearing an invasion an elite group of Borrible fighters set out on what will become known in legend as The Great Rumble Hunt So begins the first of the three epic adventures in Michael de Larrabeiti s classic trilogy where excitement violence low cunning greed generosity treachery and bravery exist side by side At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Fantasy Newsletter ,1982 **Mythprint** ,1982 **Reading and Righting** Robert Leeson,1985 A survey of British fiction for children with emphasis on its historical background and current development The Junior Bookshelf ,1981 **The Mammoth Book of Best New Horror** Stephen Jones,Ramsey Campbell,2009 **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences *Language and Ideology in Children's Fiction* John Stephens,1992 When children read fiction they are exposed to the beliefs which inform and structure their society The books encourage child readers to internalise particular ways of seeing the world and help shape their development as individuals Although this process forms a key part of their education it remains largely invisible As well as a story fictions impart a significance to readers often without revealing its presence or ground and therefore have considerable potential to socialize their audience John Stephens analyses this process and shows how fictions can work to constrain or liberate audience responses He explores picture books as well as historical realistic and fantastic fictions to show how both a character within the narrative and the implied reader are positioned within ideology The author considers areas of ideology not previously examined and offers new perspectives on realism and fantasy The book will be of interest to linguists and teachers as well as to the general reader Fantasy for Children Ruth Nadelman Lynn,1983 **Growing Point** ,1981 *The Senior High School Paperback Collection* John Thomas Gillespie,1986 Provides an annotated list of more than four thousand paperbacks including fiction poetry and books on religion art crafts sports science music history and education *Runes* Richard Monaco,1984 **Presenting Young Adult Fantasy Fiction** Cathi Dunn MacRae,1998 Opening with a fascinating array of definitions by writers critics and teenagers MacRae organizes this elusive genre into manageable categories Each chapter traces the development of one subgenre featuring a detailed biographical critique of a contemporary American fantasist within that category **Science Fiction and Fantasy Literature, 1975-1991** R. Reginald,Mary Wickizer Burgess,Daryl Furumi Mallett,1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald s Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology

etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR **Castledown** Joyce Ballou Gregorian,J B Gregorian,1983-05
