Botanica The Illu:

Dell'origine, progressi e stato attuale di ogni letteratura di Giovanni Andres. Tomo primo-[ottavo] ,1813 **Dell'origine, progressi e stato attuale di ogni letteratura** Giovanni Andrés,1813 **The Race Illusion** Adam Hochman,2025-05-28 In The Race Illusion Adam Hochman argues that there are no human races only racialized groups groups mistakenly believed to be races He meticulously critiques all of the major defenses of the view that races exist beginning with biological accounts While there is some human biological diversity it is not distributed in a way that would justify racial classification Hochman shows how modern attempts to revive race as a biological category either trivialize the category or change the topic entirely Many now believe race to be a social construct a phrase Hochman criticizes for its ambiguity The idea of race is a social invention racial classification is determined by social factors and racism is a social phenomenon However that does not mean that race itself is social Hochman argues that for social races to exist they would need to be definable in terms of social properties yet scholars have been unable to identify the social properties that plausibly make a group a race After examining ten biological and seven social accounts of race Hochman develops and defends the view in The Race Illusion that there are no races only racialized groups He argues that rejecting race as a category of analysis and replacing it with racialized group is not only the most theoretically sound approach but also the one best suited to fighting racism **Систематический каталог Библиотеки Императорского С.-Петербургского ботанического сада** Imperatorskii botanicheskii sad Petra Velikago.
