Parenting Beyond Belief- Abridged Ebook Edition ,2011-02-15 Foreword by Michael Shermer Ph D Contributors include Penn Jillette Julia Sweeney and Dr Donald B Ardell This is an abridged edition of the print classic It does not include essays by Richard Dawkins or Stephen Law Please consult the print edition for these essays It s hard enough to live a secular life in a religious world And bringing up children without religious influence can be even more daunting Despite the difficulties a large and growing number of parents are choosing to raise their kids without religion In Parenting Beyond Belief Dale McGowan celebrates the freedom that comes with raising kids without formal indoctrination and advises parents on the most effective way to raise freethinking children With advice from educators doctors psychologists and philosophers as well as wisdom from everyday parents the book offers tips and insights on a variety of topics from mixed marriages to coping with death and loss and from morality and ethics to dealing with holidays Sensitive and timely Parenting Beyond Belief features reflections from such freethinkers as Mark Twain Bertrand Russell and wellness guru Dr Don Ardell that will empower every parent to raise both caring and independent children without constraints Answers... to the Difficult Questions Dennis Waite,2020-03-27 All spiritual seekers encounter problems A question arises which appears to challenge the veracity of their chosen path If an answer is not found quickly there is a great danger that the particular teaching will be abandoned and another sought Dennis Waite draws on traditional Advaita teachings to answer all seeker related questions He first invited questions to his website in 2005 and this book collects questions and answers in a comprehensive volume for experienced and new spiritual seekers One answer often leads to a new worry and his website advaita vision org continues to accept questions No question is too difficult for Advaita Vedanta and all answers are reasonable Judgment on the Front Line Chris DeRose,Noel M. Tichy,2012-10-11 Front line employees who deal directly with customers are the face of any organization Not only do they have the most impact on how a brand is perceived but they are also the most valuable source of insight into what customers want and how to give it to them Unfortunately as management experts Chris DeRose and Noel M Tichy explain most organizations don t know how to evaluate the risk of giving employees more autonomy Many of those who are willing to try haven t even invested resources in ensuring that once the shackles are off front line employees make good judgments Tichy and DeRose offer powerful examples of front line leadership such as How Zappos trusts its people to do anything in service of a customer including providing free product or reimbursing for mistakes How Mayo Clinic of Arizona enabled its nurses to challenge the hierarchy in order to improve patient care **The Origins of Christianity and the New Testament** Rebecca I. Denova,2021-07-08 In The Origins of Christianity and the New Testament distinguished scholar Rebecca I Denova explores how the first followers of Jesus arrived at their faith the way their sacred texts developed into the New Testament and how their movement eventually became the religion of Christianity This accessible volume examines the concepts beliefs issues and events that gave rise to institutional Christianity providing readers with the

historical context of the gospels of Mark Matthew Luke and John the Acts of the Apostles the Book of Revelation the letters of Paul and other foundational New Testament documents Approaching the subject from the multidisciplinary perspective of Religious Studies the author addresses topics including the ethnic and religious background of Jesus the Jew the New Testament s different portraits of Jesus the genesis of Christian concepts such as the divine incarnation and second coming of Jesus Paul the Apostle s contributions to Christian dogma how ancient Judaism Greco Roman culture and early philosophy was incorporated into the Christian tradition and more Containing maps timelines figures of archaeological sites a brief history of ancient Judaism and a wealth of pedagogical features The Origins of Christianity and the New Testament is an excellent textbook for all undergraduate and graduate courses in the study of ancient Christianity as well as lay readers with interest in tracing the roots of the Christian faith
