

BY DARK PRINCESS NETHER

A woman with long, dark hair is seated in a dark, atmospheric room. She is wearing a dark, revealing outfit with a high collar and a large, dark, flowing cape or shawl. Her expression is serious and contemplative. The room is dimly lit by numerous lit candles, creating a warm, orange glow that contrasts with the deep shadows. The candles are scattered throughout the room, some on tall stands and others on the floor. The overall mood is mysterious and intimate.

Bound Eternal Primal Intimacy:

Celibate Sex Abbie Smith, 2014-02-27 With transparency Abbie Smith examines the raw emotions of always being the bridesmaid but never the bride She delves into the heartache and confusion of being single when your heart longs for something else By using a conversational style and her personal story Abbie helps you acknowledge the feelings and reality of being single in today's world where sexuality is misconstrued and widely exploited

IDIOT LOVE and the Elements of Intimacy David Stromberg, 2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy

Virginia Woolf and the Ethics of Intimacy Elsa Högborg, 2020-02-06 Revisiting Virginia Woolf's most experimental novels Elsa Högborg explores how Woolf's writing prompts us to re-examine the meaning of intimacy In Högborg's readings of *Jacob's Room* *Mrs Dalloway* *To the Lighthouse* and *The Waves* intimacy is revealed to inhere not just in close relations with the ones we know and love but primarily within those unsettling encounters which suspend our comfortable sense of ourselves as separate from others and the world around us *Virginia Woolf and the Ethics of Intimacy* locates this radical notion of intimacy at the heart of Woolf's introspective modernist poetics as well as her ethical and political resistance to violence aggressive nationalism and fascism Engaging contemporary theory particularly the more recent works of Judith Butler Luce Irigaray and Julia Kristeva it reads Woolf as a writer and ethical thinker whose vital contribution to the modernist scene of inter-war Britain is strikingly relevant to critical debates around intimacy affect violence and vulnerability in our own time

Companions in the Between Renée Köhler-Ryan, 2019-12-23 Contemporary philosopher William Desmond has many companions in thought and one of the most important of these is Augustine In lucid prose that draws on the riches of a vibrant philosophical theological tradition Renée Köhler-Ryan explores Desmond's metaxological philosophy She elaborates on how Desmond's philosophical work in discovering how humans are constantly between remains in conversation with a tradition of thinkers that includes Plato Augustine Thomas Aquinas and Shakespeare This book concentrates especially on how Desmond both draws upon and develops some of the central insights in Augustine At the same time it brings together philosophy theology and literature into a rich engagement of ideas that impact the way humans think and live Whether considering how our elemental wonder at creation brings us closer to God or how our most intimate revelations about being

human happen in the interior space of prayer reading Desmond with Augustine illuminates a porous and interdisciplinary space of inquiry *Companions in the Between* is a unique contribution to the growing body of scholarship on William Desmond's thought It opens with a foreword from Desmond Its pages will entice any reader who wants to know more about how contemporary philosophy can contest a space where philosophers are formulaically expected to shy away from divine transcendence *A Philosophy of Potentiality* Leone Vivante,1955 **Turning to the Other** Donovan D.
