

Bourbon Democracy Of The Middle West

Horace Samuel Merrill

Bourbon Democracy Of The Middle West:

Bourbon Democracy of the Middle West, 1865-1896 Horace Samuel Merrill, 1967 *A Righteous Cause* Robert W. Cherny, 1994 Three times the Democratic Party's nominee for president 1896 1900 and 1908 and Secretary of State under Woodrow Wilson William Jennings Bryan voiced the concerns of many Americans left out of the post Civil War economic growth In this book Robert W Cherny traces Bryan's major political crusades for a new currency policy prohibition and women's suffrage and against colonialism monopolies America's entry into World War I and the teaching of evolution in the public schools Drawing on Bryan's writings and correspondence Cherny presents Bryan's key role in the Democratic Party's transformation from a proponent of minimal government to an advocate of active government **Bourbon Democracy of the Middle West, 1865-1896** Horace Samuel Merrill, 1967 *The Greenback Era* Irwin Unger, 2015-12-08 The Greenback Era is not a financial history rather it is an attempt to locate the source of political power in the crucial Reconstruction years through a socio economic study of American financial conflict during the years 1865 to 1879 Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Bourbon Democracy of the Upper Middle West, 1865-1896* Horace Samuel Merrill, 1942

The Presidencies of James A. Garfield & Chester A. Arthur Justus D. Doenecke, 1981 This is the first single volume to focus on the presidencies of both James A Garfield and Chester A Arthur Drawing from a host of studies on the foreign and domestic policies of the nation during the Gilded Age as well as from his own primary research the author presents a somewhat revisionist look at Garfield and Arthur revisionist in that he gives the reader a renewed appreciation of both men Far from being cynical spoilsmen or naive incompetents individuals whose presidencies provide studies in ineptitude Garfield and Arthur emerge as men of considerable ability While making no claims of greatness Doenecke maintains that each was a significant transitional figure playing a crucial role as the institution of the presidency moved from the weak leadership of Andrew Johnson to the forceful direction of Theodore Roosevelt According to Doenecke Garfield saw the office of chief executive primarily in administrative terms and his great battle was over keeping the power of appointment in his own hands His victory over the Stalwarts enhanced both the power and prestige of the office His knowledge of how government worked was unmatched long before Woodrow Wilson made his mark Garfield was the scholar in politics The diplomacy of Secretary of State James G Blaine comes under critical scrutiny Doenecke evaluates his performance in the Chile Peru War War of the Pacific the Guatemala Mexico dispute the isthmian canal issue Irish American activities in Britain and efforts to secure markets in Korea but Garfield was assassinated less than six months after he entered office he had yet to be tested on major

issues of public policy Chester A Arthur was ill prepared to be chief executive was in poor health much of the time while he was in office and was faced with a hopelessly divided party Nevertheless he was one of the nation s great political surprises His administration pioneered in the development of the navy sought foreign markets for American surpluses fostered civil service reform and pressed for a scientific tariff Doenecke devotes one chapter to the spoils system and the background to the Pendleton Act one to Arthur s strategy regarding the South and then offers an in depth analysis of diplomacy during Arthur s tenure During the presidencies of Garfield and Arthur the United States attempted to intervene in a war between Chile and Peru sought to turn Nicaragua into a protectorate supplied leading advisers to Madagascar and Korea and took a major part in the Congo conference of 1884 In examining these activities even while pointing to uncoordinated statecraft and inept diplomacy Doenecke challenges the long held view that from 1881 to 1885 the nation was withdrawn and insular His fresh perspective on the Garfield and Arthur years will be of considerable interest to historians of the Gilded Age

The Presidencies of Grover Cleveland Richard E. Welch, 1988 Grover Cleveland who served as both the twenty second and the twenty fourth president of the United States dominated the American political scene from 1884 to 1896 Viewed at one time as a monument of presidential courage Cleveland has over the past generation been dismissed by historians as a Bourbon Democrat the symbol of that wing of the Democratic party devoted to preserving the status quo and protecting the interests of the propertied In this revisionist study Richard Welch takes a fresh look at the Cleveland administrations and discovers a man whose assertive temperament was frequently at odds with his inherited political faith Although pledging public allegiance to a Whiggish version of the presidency Cleveland s aggressive insistence on presidential independence led him to exercise increasing control of the executive branch and then to seek influence over Congress and national legislation Quick to denounce governmental paternalism and the centralization of political power Cleveland nevertheless expanded the authority of the national government as he revised federal land and Indian policies in the West and ordered the army to Chicago during the 1894 Pullman strike For all his fears of constitutional innovation he was neither a champion of big business nor unaware of the problems posed by the post Civil War economic revolution He signed the Interstate commerce Act warned against the growing power of industrial combination advocated voluntary federal arbitration of labor management disputes and fought the monopolization of western lands by railroad and timber corporations Welch places Cleveland s battles on behalf of tariff revision civil service reform and the gold standard within the context of the conundrum of a strong president who usually failed to gain the cooperation of Congress or the Democratic party Cleveland reinvigorated the American presidency and reestablished an equilibrium between the executive and legislative branches of the federal government but by his obdurate enmity to the silverites and the agrarian radicals he helped assure the division and defeat of his party in the election of 1896 Welch demonstrates that Cleveland s achievements and failures as a political leader were attributable to an authoritarian temperament that saw compromise as surrender Two chapters of the book are devoted to

Cleveland's diplomacy focusing especially on his response to Hawaiian and Cuban revolutions and the boundary dispute between Venezuela and Great Britain Welch takes issue with the currently popular thesis that U S diplomacy in the last decade of the nineteenth century displayed a concerted governmental effort to solve domestic economic problems by expanding foreign markets in East Asia and Latin America In addition to providing insights into the character of one of our more interesting presidents this reassessment of Grover Cleveland's historical legacy shows clearly that the Cleveland years served as the essential preface to the development of a modern presidency and to the identification for executive power

Bourbon Democracy of the Middle West 1865-1896. New Edition Horace Samuel Merrill,1967 **The Search for Order, 1877-1920** Robert H. Wiebe,2022-12-06 At the end of the Reconstruction the spread of science and technology industrialism urbanization immigration and economic depressions eroded Americans conventional beliefs in individualism and a divinely ordained social system In *The Search for Order 1877 1920* Robert H Wiebe shows how in subsequent years during the Progressive Era of Theodore Roosevelt and Woodrow Wilson Americans sought the organizing principles around which a new viable social order could be constructed in the modern world This subtle and sophisticated study combines the virtues of historical narrative sociological analysis and social criticism **The Midwest and the Nation** Andrew R. L. Cayton,Peter S. Onuf,1990-04-22 Cayton and Onuf have tried to recapture a central place for region in our thinking while at the same time incorporating into their analysis the latest scholarship on gender political behavior etc Theirs is a fine blending of the old and the new old scholarship and new directions Malcolm J Rohrbough This is an ambitious work that truly belongs on the must do reading list of all midwestern and American historians *American Historical Review* an impressive interpretive work that will command the attention of regional historians and national scholars alike *Illinois Historical Journal* an excellent extended historiographic essay that seeks not only to locate the significance of the region created by the early land ordinance but also to raise issues for the historical examination of other regions of the country *South Dakota History* What makes this book especially interesting and valuable is that it is informed by the post modern scholar's view that knowledge can never be objective and eternally true rather it is subjective and socially constructed shaped by the political social intellectual and economic environments in which it is formed *Western Illinois Regional Studies* The book's review of scholarship about the region is exhaustive as well as brisk and lucid *American Studies International* a rigorous intellectual analysis of the region's most important historiography *Gateway Heritage* an excellent book *The Annals of Iowa* What is impressive about this densely written work is the number of secondary works incorporated into the text and the importance of the authors thesis of the considerable influence of happenings in the Midwest of the nineteenth century *North Dakota History* There is much to be praised in this book and it will be frequently used and discussed by scholars of the early Midwest *Journal of American History* *The President Shall Nominate* Mitchel A. Sollenberger,2008 A comprehensive and path breaking study of what happens behind the scenes before presidents publicly announce to the Senate and thus the nation

their nominees for federal positions **Age of Betrayal** Jack Beatty,2007-04-10 Age of Betrayal is a brilliant reconsideration of America s first Gilded Age when war born dreams of freedom and democracy died of their impossibility Focusing on the alliance between government and railroads forged by bribes and campaign contributions Jack Beatty details the corruption of American political culture that in the words of Rutherford B Hayes transformed a government of the people by the people and for the people into a government by the corporations of the corporations and for the corporations A passionate gripping scandalous and sorrowing history of the triumph of wealth over commonwealth *A Bibliographical Guide to Midwestern Literature* Gerald Nemanic,1981 **Harvard Guide to American History** Frank Freidel, Frank Burt Freidel, Richard K. Showman,1974 Editions for 1954 and 1967 by O Handlin and others **Bourbon Democracy of the Middle West, 1865-1896. With a New Introduction by the Author** Horace Samuel Merrill,1967 **Beyond Equality** David Montgomery,1967 For anyone who believes that there was no important labor movement before Roosevelt or before Gompers or before the Knights of Labor this well documented work should prove a shocker And for those who look to the past for enlightenment to guide us through our troubled tomorrows this book is a reservoir of historic information and insights New Leader Beyond Equality is a masterpiece A book of bold and brilliant originality it is now shaping the perspective of a new generation of graduate students David Brion Davis author of *The Problem of Slavery in Western Culture* The Ohio State Archaeological and Historical Quarterly ,1953 Bourbon Democracy of the Middle West, 1865-1896; with a New Introd. by the Author Horace Samuel Merrill, **The Publishers Weekly** ,1897 **Urban Workers in the Agricultural Middle West, 1856-1893** Nellie W. Kremenak,1995

Bourbon Democracy Of The Middle West Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bourbon Democracy Of The Middle West has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bourbon Democracy Of The Middle West has opened up a world of possibilities. Downloading Bourbon Democracy Of The Middle West provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bourbon Democracy Of The Middle West has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bourbon Democracy Of The Middle West. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bourbon Democracy Of The Middle West. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bourbon Democracy Of The Middle West, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bourbon Democracy Of The Middle West has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Bourbon Democracy Of The Middle West Books

1. Where can I buy Bourbon Democracy Of The Middle West books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
