**Devil Creek Crossfire** William W. Johnstone,2013-06-06 There s no rest for the blood brothers in a town at war with itself Hard charging Western adventure from the bestselling author of Gunsmoke and Gold Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher s son saved the warrior s life forging a bond no one could ever break As years passed a legend grew of the Cheyenne and the white man who rode together and who could jerk killing iron with the best of them Devil Creek Crossfire When the brothers head into the small cowtown of Crossville close by Devil Creek all they want is to stock up on supplies and rest their weary horses Instead they find themselves in the middle of a bloody range war that s literally split the town down the middle The warring factions have set up camp on either side of Main Street and the newcomers ride in on a deserted strip of no man s land where anything and nothing good is liable to happen The feud seems ridiculous it isn t over land or water or cattle rustling but something much darker and deadlier Bodine and Two Wolves figure the best course would be to leave that is until both sides order them out Big mistake Because the blood brothers don t take orders from anyone Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on Eyes of Eagles There s plenty of gunplay and fast paced action Curled Up with a Good Book on Dead Before Sundown
