Cheyenne Way Conflict Case Law In Prim:

Gypsy Law Walter O. Weyrauch, 2001-09-12 A unique collection of scholarly essays gathered and reprinted from American Journal of Comparative Law 1997 and the Yale Law Journal 1993 on the legal traditions of the Roma or Gypsies A fascinating account of how a primarily alien culture functions in a larger social context **Evolutionary Origins of Morality** Leonard D. Katz, 2000 The second paper by cultural anthropologist Christopher Boehm synthesizes social science and biological evidence to support his theory of how our hominid ancestors became moral In the third paper philosopher Elliott Sober and evolutionary biologist David Sloan Wilson argue that an evolutionary understanding of human nature allows sacrifice for others and ultimate desires for another's good *American Indian Politics and the American Political System* David E. Wilkins, Heidi Kiiwetinepinesiiik Stark, 2017-04-13 American Indian Politics and the American Political System is the most comprehensive text written from a political science perspective It analyzes the structures and functions of indigenous governments including Alaskan Native communities and Hawaiian Natives and the distinctive legal and political rights these nations exercise internally It also examines the fascinating intergovernmental relationship that exists between native nations the states and the federal government In the fourth edition Wilkins and Stark analyze the challenges facing Indigenous nations as they develop new and innovative strategies to defend and demand recognition of their national character and rights They also seeks to address issues that continue to plague many nations such as notions of belonging and citizenship implementation of governing structures and processes attentive to Indigenous political and legal traditions and the promotion and enactment of sustainable practices that support our interdependence in an increasingly globalized world *American Indian Policy in the Twentieth Century* Vine Deloria, 1985 Offers eleven essays on federal Indian policy *Litigants and Households* Richard L. Roberts, 2005 Why did Africans bring their most intimate domestic disputes to the newly created native courts in the period after 1905 And what do these disputes tell us about everyday life and social change To answer these questions Roberts uses all 2 062 civil disputes heard at the provincial level native courts for four districts between 1905 and 1912 He concludes that changes in social relations occurring at a time of accelerated change associated with colonial conquest and the end of slavery interacted with institutional changes namely the creation of the new native courts to produce discernible patterns of litigation Moreover these patterns of litigation point to trouble spots in African society thus providing a lens into the most ordinary aspects of daily life This book is divided into two parts following an important theoretical and methodological introduction to the use of the court records as social history the first three chapters examine the context in which the colonial legal came into being in 1903 The second part examines the evidence generated by court records into the struggles between former slaves and former masters in the immediate aftermath of the end of slavery the trouble spots of marriage and divorce bridewealth disputes disputes over new forms of property in a post slave holding era and disputes over inheritance These chapters concentrate on cases brought by women or dealing with women
