Chic Thrills A Fashion Reader:

Chic Thrills Juliet Ash, Elizabeth Wilson, 1992-01-01 Designed to be as internationally relevant as the fashion it discusses Chic Thrills extends fashion theory beyond the interpretation of style and shows how it relates to the economic realities and motivations of those who create the clothing we buy and wear Among the issues the contributors address are Feminism and the politics of fashion The relationship of non European cultures to Western fashion Fashion and the negotiation of identity Recent trends in fashion photography and the media representation of fashion Industrial conditions production constraints and the relationship of garment workers to the clothes they make Playing with a different sex fashion and the lesbian couple Fascism and fashion Paris haute couture under Nazi occupation Fashion and the postmodern body *Chic Thrills* Juliet Ash, 1996 **Chic thrills. A fashion reader** J. Ash, 1993 **Fashion-ology** Yuniya Kawamura, 2004-12-01 This book provides a concise and much needed introduction to the sociology of fashion Most studies of fashion do not make a clear distinction between clothing and fashion Kawamura argues that clothing is a tangible material product whereas fashion is a symbolic cultural product She debunks the myth of the genius designer and explains provocatively that fashion is not about clothes but is a belief There is an institutional structure ignored by many fashion theorists that has shaped and produced the fashion phenomenon Kawamura further shows how the structural nature of the fashion system works to legitimize designers creativity and can make them successful Newer fashion cities such as Milan and New York are the product of the fashion system that originated in Paris Without that systemic structure fashion culture would not exist Fashion ology provides a big picture approach that focuses on the social process behind fashion and its perpetuation *Fashion* Jennifer Craik, 2024-07-25 Fashion is everywhere It is one of the main ways in which we present ourselves to others signaling what we want to communicate about our sexuality wealth professionalism subcultural and political allegiances social status even our mood It is also a global industry with huge economic political and cultural impact on the lives of all of us who make sell wear or even just watch fashion Fashion the key concepts presents a clear introduction to the complex world of fashion The aim throughout is to present a comprehensive but also accessible and provocative analysis Readers will discover how the fashion industry is structured and how it thinks the links between catwalk celebrity branding media promotion and mainstream retail how clothes mean different things in different parts of the world and how popular culture influences fashion and how fashion shapes global culture Illustrated with a wealth of photographs the text is further enlivened with over 30 detailed and rich case studies ranging across topics as diverse as the meaning of black in fashion the rise of celebrity branding the cult of thinness the politics of veiling the eroticism of shoes and the power of cosmetics Features Boxed chapter overviews open each chapter Bullet points summarizing key ideas conclude each chapter Chapter discussions are illustrated with integrated case material Each chapter is supported by extended Case Studies Key words are highlighted in chapters and defined in an extensive Glossary Further Reading guides the reader to other literature A timeline of Fashion Milestones provides a

chronology of major events in the history of fashion Borderless Fashion Practice Vanessa Gerrie,2023-06-16 Twenty first century fashion practice has become increasingly borderless and diverse in the digital era calling into question the very boundaries that define fashion in the Western cultural context Borderless Fashion Practice engages the work of fashion designers whose work intersects with other creative disciplines such as art technology science architecture and graphic design **Indian Fashion** Arti Sandhu,2014-12-18 Fashion in India is distinctly unique in its aesthetics systems designers and influences Indian Fashion is the first study of its kind to examine the social political global and local elements that give shape to this multifaceted center Spanning India s long historical contribution to global fashion to the emergence of today s vibrant local fashion scene Sandhu provides a comprehensive overview of the Indian fashion world From elite high end to street style of the masses the book explores the complex realities of Indian dress through key issues such as identity class youth and media This ground breaking book does not simply apply western fashion theory to an Indian context but allows for a holistic understanding of how fashion is created worn displayed and viewed in India Accessibly written Indian Fashion will be a fantastic resource for students of fashion cultural studies and anthropology **Queering Masculinities in Antwerp Fashion** Nicola Brajato,2026-01-22 Drawing new lines between the creative practices of influential Antwerp designers from the 1980s to the 2020s this vibrant study dissects how menswear male bodies and male sexuality have been radically queered through the lens of a crucial epicentre of avant garde fashion Retracing and updating historical narratives of the Antwerp fashion scene Queering Masculinities in Antwerp Fashion expands the focus from the Antwerp Six to a new generation of radical designers From Walter Van Beirendonck and Dirk Bikkembergs to Raf Simons Bernhard Wilhelm and Glenn Martens these designers variously use disruptive fashion practices to move beyond gender binaries affirm non normative bodies and embody queer sexual politics through coded and explicit sexual references Through archival material from Belgian and international fashion museums from fashion show and campaign photographs to invitations and look books and interviews with key figures from the scene Antwerp emerges as a major vibrant context for questioning and queering masculinities through vanguardist fashion practice Integrating rich case studies with key theoretical perspectives Nicola Brajato offers a conceptual framework for engaging critically with cultural shifts in masculinities men s fashion and identity Fashion as Communication Malcolm Barnard,2002 What kinds of things do fashion and clothing say about us What does it mean to wear Gap or Gaultier Milletts or Moschino Are there any real differences between Hip Hop style and Punk anti styles In this fully revised and updated edition Malcolm Barnard introduces fashion and clothing as ways of communicating and challenging class gender sexual and social identities Drawing on a range of theoretical approaches from Barthes and Baudrillard to Marxist psychoanalytic and feminist theory Barnard addresses the ambivalent status of fashion in contemporary culture *The Japanese Revolution in Paris Fashion* Yuniya Kawamura,2004-05 Paris is renowned as the greatest fashion capital in the world It has a rigid and tightly controlled system that non western designers have difficulty penetrating Yet a number of

the most influential Japanese designers have broken into this scene and made a major impact How Kawamura shows how French fashion has been both disturbed and strengthened by the addition of outside forces such as Kenzo Takada Issey Miyake Yohji Yamamoto Rei Kawakubo and Hanae Mori She considers many other key questions the fashion industry should be asking itself Does the system facilitate or inhibit creativity Has it become preoccupied with the commercial projection of product images rather than with the clothing itself And what direction will French fashion take without Saint Laurent Miyake and Kenzo This is the first in depth study of the Japanese revolution in Paris fashion and raises provocative questions for the future of the industry

Nylon Susannah Handley,1999 In *Nylon The Story of a Fashion Revolution* Handley folds together an array of topics the role of technology in modern life the changing nature of popular taste the fortunes of the late twentieth century garment industry and the design innovations and artistry that synthetics permit even encourage Handley tells behind the scenes stories about companies like DuPont inventors of Nylon the first pure synthetic fabric and its competitors and imitators She introduces readers to the world of clothing design and manufacture tracing the development of fabrics from the semisynthetic Art Silk early in the century to polyester Lycra and the newest technological fibers and desirable weaves She examines the advertising strategies that played on and built up consumer expectations And she describes a not too distant future of interactive textiles solar units intelligent jackets and the wearable office

Women and Market Societies Barbara Einhorn,Eileen Yeo,1995 *Women and Market Societies*explores the problems and possibilities for women which arise from the transition to a market economy in East Asia the dismantling of state socialism in Eastern Europe and the restructuring of the economies and welfare states of the older capitalist market societies in Western Europe Questioning whether the global trend towards market economics will constrain or enhance women s opportunities this innovative interdisciplinary volume also looks at the consequences for women as workers and beyond that to the social and cultural implications A distinguished group of scholars from China Hong Kong South Korea and Europe explores the issues which must be addressed before women can create a more empowering politics Such issues include the continuing tensions between paid work in the market and unpaid work in the family and the extent to which Eastern or Western legislative frameworks providing rights and benefits have eased or exacerbated these tensions The paradoxical effects of modernising housework the power and contestibility of global media representations of femininity the experience of building a women s politics around consumption are all themes explored in this book which aims to contribute to an East West dialogue among women

L'Esprit Créateur ,1997 *Best Books* Chris Murray,1996 Prominent figures select their personal choice of books with subjects ranging from the history of fashion to quantum physics from psychoanalysis to cyberspace and from medieval history to mythology and religion Contributors include Malcom Bradbury Miles Kingston and Patrick Moore

Contradictions of Consumption Tim Edwards,2000 He provides a thorough analysis and critique of the theories practices and politics of consumer society In particular this book addresses the social divisions of consumption through topics such as

fashion advertising and marketing as well as more classical and contemporary theories of consumer society It will appeal to a wide range of students in sociology cultural studies social policy and the politics of identity Jacket **Disentangling Textiles** Mary Schoeser,2002 *Alien Encounters* Mimi Thi Nguyen,Thuy Linh Nguyen Tu,2007-04-17 A collection of essays that examine the production and consumption of Asian American popular culture from musical expression to television cooking shows **The Greenwood Encyclopedia of Clothing Through World History** Jill Condra,2008 Looks at the history of clothing from prehistoric times to the present and evaluates the influence of climate cultural political social economic technological and cultural factors The Gendered Object Pat Kirkham,1996 From Barbie and Action Man to guns via bicycles perfume and trainers The gendered object is an intriguing collection of new writing on the way in which objects of everyday life are made socially acceptable and appropriate for women or men What does the Strawberry Shortcake doll tell us about views of the adult female body When does the necktie become anti establishment How does a woman relate to a washing machine And can a hearing aid really be gendered These questions are answered and many others raised in this entertaining study of design for men and women *Journal for the Study of British Cultures* ,2007
