Chicagos South Shore:

Chicago's South Shore Neighborhood Charles Celander, J. S. Catlett, 1999-12 Chicago's South Shore has a mature urban nature that disguises its evolution from marshland to farmland and from suburb to city neighborhood Located between Jackson Park and Seventy ninth Street and from Lake Michigan to Stony Island the marshland of the 1800s was first settled by German and Scandinavian truck and flower farmers Beginning in the 1890s the Illinois Central Railroad Electric Line expanded into what was largely undeveloped farmland setting the stage for one hundred years of development and demographic change From Hyde Park to Jeffery Manor and South Chicago the pictures contained in Chicago's South Shore show many of the faces places and events that marked the evolution of the area German Swedish Irish and African American families are just a fraction of the many groups who have called South Shore home Today largely through the redevelopment efforts of South Shore Bank the neighborhood promises to build on its glorious past and play a vital role in Chicago's future

Chicago's South Shore Country Club William M. Krueger, 2001 Conceived in 1906 during an era of formal balls and Gatsbyesque lifestyles the South Shore Country Club began as an idyllic lakefront retreat for the wealthiest of Chicago's movers and shakers Marshall and Fox architects of the Drake Blackstone and Edgewater Beach Hotels were hired to design an opulent Mediterranean style clubhouse for a membership that included the Armour Swift Palmer and Glessner families The grounds provided a private stable beach and golf course Tennis horseback riding and skeet shooting were enjoyed by guests the likes of Jean Harlow Will Rogers and Amelia Earhardt Between the first and second World Wars a housing boom brought the development of luxury cooperative apartments and mansions to the neighborhood surrounding the club After World War II the new money of an upwardly mobile middle class replaced the old money of the original members Membership peaked with the Golden Anniversary in 1956 only to decline as the 1960s brought racial and economic changes to the surrounding community On July 14 1974 the club held its last members only event and closed the door on what some have described as the party that lasted 68 years The Chicago Park District now owns this once exclusive property It has been restored to its

original design and is now open to the public as the South Shore Cultural Center **Along the Chicago South Shore & South Bend Rail Line** Cynthia L. Ogorek,2012 Starting in 1901 as a three mile long trolley line in East Chicago Indiana the Chicago South Shore and South Bend Railroad expanded in 1908 to connect South Bend Indiana with Chicago Illinois Once a treasure in the Sam Insull utilities empire today it is the only functioning electric interurban in the United States From a world class city through rolling agricultural acres from steel mills through a national lakeshore some 200 vintage photographs illustrate the unique view of the Calumet region that South Shore passengers have traditionally enjoyed Images of rolling stock passenger depots excursion destinations and historic sites along the way combine to reveal the century long story of the railroad and its 90 mile corridor Chicago Southshore and South Bend Railroad V. Holland,2005-01-01 **Chicago Neighborhoods and Suburbs** Ann Durkin Keating,2008-11-15 Which neighborhood It s one of the first questions you re asked when you move to Chicago And the answer you give be it Bucktown Bronzeville or Bridgeport can give your inquisitor a good idea of who you are especially in a metropolis with so many different neighborhoods and suburbs to choose from Many of us know little of the neighborhoods beyond those where we work play and live This is particularly true in Chicagoland a region that spans over 4 400 square miles and is home to more than 9 5 million residents Now historian Ann Durkin Keating s compact guide drawn largely from the bestselling Encyclopedia of Chicago brings the history of Chicago neighborhoods to life Back cover **Certified List of Domestic and Foreign Corporations for the Year ...** ,1924 The World Is Always Coming to an End Carlo Rotella,2019-04-26 This portrait of Chicago s South Shore and its people is a thought provoking deep dive into a neighborhood that remains in perpetual transition Kirkus Reviews An urban neighborhood remakes itself every day and unmakes itself too It is houses and stores and streets but it s also people the people who make it their home some eagerly others grudgingly A neighborhood can thrive or it can decline and neighbors move in and move out Sometimes they stay but withdraw behind fences and burglar alarms If a neighborhood becomes no longer a place of sociability and street life but of privacy indoors and fearful distrust outdoors is it still a neighborhood In the late 1960s and 1970s Carlo Rotella grew up in Chicago s South Shore neighborhood a place of neat bungalow blocks and desolate commercial strips and sharp sometimes painful social contrasts In the decades since the hollowing out of the middle class has left residents confronting or avoiding each other across an expanding gap that makes it ever harder for them to recognize each other as neighbors Rotella tells the stories that reveal how that happened stories of deindustrialization stories of gorgeous apartments with vistas onto Lake Michigan and of Section 8 housing vouchers held by the poor At every turn South Shore is a study in contrasts shaped and reshaped over the past half century by individual

stories and larger waves of change that make it an exemplar of many American urban neighborhoods Talking with current and former residents and looking carefully at the interactions of race and class persistence and change Rotella explores the tension between residents deep investment of feeling and resources in the physical landscape of South Shore and their hesitation to make a similar commitment to the community of neighbors living there Unlike any work of contemporary urban studies that I know It combines elements of journalism archival research ethnography and memoir in a study of South Shore the South Side Chicago neighborhood in which Carlo grew up in the 1970s It s at times lyrical at times analytic and always engaging Eric Klinenberg Public Books *Chicago Civic Agencies* ,1927 **The Heart of Chicago's South Shore** Nancy O'Brien Kehoe,2001-01-01 **The Traffic World** ,1930 **AERA.** ,1929 **Public Service Magazine** ,1929 The Official Railway Guide ,1902 *Bulletin* ,1957 *Baldwin Locomotives* ,1929 Annual Report Illinois.
