**The Chick Magnet Cookbook** Garth Fuller, 2004. Men will do anything to get laid but women will detect and reject even the most cunning attempt at seduction. However, help is at hand. Fuller has found that cooking for chicks works: it's romantic, it plays upon female fantasies of domestic bliss, it demonstrates class and sophistication, and it's sensual. Guiding soon-to-be-satisfied men through all the right ways to do it, from supplying the most lustrous recipes like coconut shrimp with steamed rice to detailing the candlelit ambiance of their apartment to which wine to serve. This Valentine's day love's sure to be on the menu.

**The Chick Magnet Cookbook** Andrea R. Gravatt, 2023-11-24. The Chick Magnet Cookbook was originally conceived for men who felt unprepared or awkward in the kitchen. However, as the cookbook progressed, there was an overwhelming response by women who were also interested in the ease of the recipes. It is an invitation to join in the celebration of both food and friendship during this time when the sacred dinner hour has been compromised by technology and the demands of work, family, and daily life. This is village cooking without the culinary complexity.

**The Magnetic Chicken Cookbook** Gina Steer, 1995. The Chick Magnet Bob Kaplan, 2018-12-22. A book designed and directed to the fellow who wants to expand his repertoire to attract the ladies through cooking. Included are many recipes that are crafted for an intimate meal for two or four, along with discussions of the basics of cooking for the novice, wines, and cocktails. Hors d'oeuvres, main courses, desserts, and post-dining. It is a book for the bachelor to buy and for the ladies to give as a gift who want their Beau x or husbands to learn how to cook. It is interlaced with anecdotes regarding the author's comedic experiences in dating, cooking, and gallivanting. Additionally, it includes a few lessons learned, some the hard way, with some advice on what to do and not to do. The recipes are eclectic and usually short in number of ingredients and cooking time. The basic test for inclusion was taste. But in addition, all ingredients had to be readily available at the corner super market. A further criterion for those recipes solicited from friends is that they had to be proven successes. However, you want to interpret that. The book was a lot of fun writing over these past three years, and I hope the reader enjoys it as much as I did in writing it. Remember to PUT SOME SPICE IN YOUR LIFE.

**The Magnetic Chicken Cookbook** Gina Steer, Sterling Publishing Company, 1996-03. Stop searching. The magic ingredients you've been looking for are not in your fridge; they're on it. Shaped like your favorite eats, they're memorable magnets, and colorful cookbooks rolled into one. Guaranteed to satisfy your culinary cravings, each collection features an assortment of easy-to-make treats on sturdy laminated wipe-clean pages wrapped up with a Velcro and color-coordinated ribbon closure.
