South Africa South African Native Affairs Commission,1904 **A New Family Bible, and Improved Version ... With Notes, Critical and Explanatory ... By the Rev. B. Boothroyd** ,1824 Clergymen and Chiefs Alexander McQueen Quattlebaum,2002 In 1962 Alexander McQueen Quattlebaum first visited the Isle of Skye off the west coast of Scotland After surveying the land and finding it a stark contrast to the fertile fields of South Carolina s lowcountry he understood why after generations his forbears had chosen to leave the Scottish isle and cross the Atlantic However over the next two decades he made annual visits to Scotland and slowly uncovered the rich history of the MacQueen and Macfarlane families The Child in Primitive Society Nathan Miller,2024-07-31 First published in 1928 The Child in Primitive Society examines the place of the child in the history of the less developed societies reaching back as close to social origins as is possible The purpose here is not to enquire into the inner processes of learning habit formation and acculturation in the child himself but our aim is rather to examine the social milieu as it impinges upon the child in other words the customs and institutions which emerge as the educational systems of society later in the course of development The purpose is to delineate the gradual trimming or fashioning of a child s social existence by these social forces The book discusses various important themes such as primitive notions of the child the burden of children the desire for children infancy and childhood primitive education and inheritance and succession This book is an important historical reference for scholars and researchers of sociology and education

Cetywayo and His White Neighbours Henry Rider Haggard,1882 Cetywayo and his White Neighbours BY Henry Rider Haggard s his pearl like teeth But as there are interests involved in the question of his reinstatement which are I think more important than Cetywayo s personal proportions of mind or body and as the results of such a step would necessarily be very marked and far reaching it is as well to try and understand the matter in all its bearing before anything is done Since the above was written the Government have at the last moment decided to postpone Cetywayo s visit to this country chiefly on

account of the political capital which was being made out of the event by agitators in Zululand The project of bringing the king to England does not however appear to have been abandoned There has been a great deal of special pleading about Cetywayo Some writers swayed by sentiment and that spirit of partisanship that the sight of royalty in distress always excites whitewash him in such a persistent manner that their readers are left under the impression that the ex king is a model of injure We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
