

The image features a bright yellow background. In the center, there is a white, cloud-like shape with a soft, irregular border. Inside this white shape, the text is written in a bold, black, sans-serif font. The text is arranged in seven lines, centered within the white area. In the top right and bottom left corners of the yellow background, there are decorative patterns of black, hand-drawn, teardrop-like shapes that resemble rain or falling seeds, arranged in a curved, descending path.

Child Abusers:

The Child Abusers Pritchard, Colin, 2004-05-01 How can we improve child protection What can we learn from recent child abuse cases and research Who are the child abusers Who kills children Child abuse horrifies the public engenders fierce debate in the media and creates anxiety in even the most experienced professionals In this book the author examines the available evidence base in order to challenge the myths and controversies Readers are offered up to date research and case material to assist in the assessment of risk and physical danger Emphasis is placed on the importance of the child protection psychiatry interface and while no absolute answers are offered the debates around the subject are clearly outlined and suggestions for effective intervention are offered The Child Abusers is essential reading for professionals and students in the field of child protection including health and social workers police nurses medics teachers psychologists and psychiatrists

Child Abusers Christopher Bagley, 2003-09 This book is about men and women who neglect and abuse children physically emotionally and sexually A number of key themes emerge Emotional abuse causes the most long term harm to children although combinations of emotional with physical and or sexual abuse cause the most harm to long term mental health Because of the long term burden which abuse imposes on its victims it is crucial to intervene effectively with abusers potential and actual to prevent them from either beginning abuse committing further abuse or entering the victim to abuser cycle Abusers have often experienced physical emotional or sexual abuse or neglect in their own childhoods The role of disordered attachments to adult figures in the victim to abuser cycle is considered in detail including ways of effective intervention Men and women who kill children can be characterized in various ways and various programmes of intervention can be designed The cycle of poverty is also considered in detail a process by which economically poor families beget children who enter a cycle of both economic and psychological poverty in which risks of all kinds of child abuse and neglect are elevated Child Abuse and Neglect Research, 1979 Predators and Child Molesters Robin Sax, 2009 In this straightforward clearly written guidebook veteran sex crimes prosecutor and Los Angeles deputy district attorney Robin Sax answers one hundred questions that she has most often encountered in her fifteen years of experience **Child abuse and neglect programs**, 1978 Child Abuse Katie De Koster, Karin Swisher, 1994 Presents opposing viewpoints concerning issues related to child abuse including what causes this form of abuse and is it possible to justly prosecute it in the courts

Child Abuse and Violence American Orthopsychiatric Association, 1979 This book is a collective effort to increase the understanding of forces and conditions in our society which violate the development of children and the free unfolding of human potential The maltreatment of children has come to be considered a social problem of significant scope Yet in spite of professional efforts clarity continues to elude us concerning the sources and dynamics of these destructive phenomena and concerning effective approaches toward their reduction and prevention This volume reviews some persistent obstacles which tend to cause serious gaps in our comprehension of social problems and in our ability to design adopt and implement
