## **Child Behind The Darkness:**

**Child Behind the Darkness** Frank F. Atanacio,2001-07-12 What happens when the soul of an aborted child is trapped between heaven and hell Good and evil wanting the soul so a battle begins The battle takes an aborted child's soul through a frenzy of trials and tribulations He is challenged and tricked into so many ordeals However with the help of his friends he makes it through these ordeals unscathed Until a problem arises that will challenge the heart The soul that is helping him must now make a decision involving her murdered child's soul It becomes a race to be placed between the child behind the darkness and Morgass's child *The Child's companion* ,1898 *The Child Vision* Dorothy Tudor Owen,1920 The Child Vision Dorothy Tudor Owen,1920 *The Child Vision* Dorothy Elizabeth Tudor Owen Truman,1920 The Child and the War Cecil Leeson,1917 Lovers of Dark humor Hash Blink,Thomas sheriff,2024-03-06 Samuel a lover of dark humor meets a group of like minded individuals called the Lovers of Dark humor They push the boundaries of socially acceptable jokes but their humor becomes increasingly twisted They plan to stage a mock murder in an abandoned mental institution which makes Samuel uncomfortable but he goes along with it However during the setup Samuel sees a pair of glowing red eyes in the darkness and his friends reveal it was all part of the joke Samuel is locked in a room and realizes his love for dark humor has led him down a path of madness He escapes but is haunted by nightmares His friends invite him back to the mental institution where they reveal their true psychopathic nature and try to kill him Samuel narrowly escapes with the help of the creature with glowing red eyes He vows to never cross the line between dark humor and true horror again Samuel who had escaped the clutches of his former friends in an abandoned mental institution finds himself in a dark and eerie forest He is haunted by the feeling of being watched and is unsure who he can trust The creature with glowing red eyes who had saved him before reappears and warns him that his former friends are still after him Samuel takes refuge in a cabin but is attacked by a werewolf To his surprise the werewolf helps heal his wounds and reveals that they share a common enemy Samuel and the werewolf prepare to face his former friends who have found them in the cabin In this thrilling story Samuel finds himself in a life or death situation as he faces off against his former friends who have turned into dangerous creatures With the help of a werewolf Samuel fights to survive and escape the chaos They encounter unexpected allies and enemies along the way and as they navigate through dark woods and hidden tunnels they must confront their own fears and trust in each other to stay alive As the game they are caught in becomes more twisted and dangerous Samuel and the werewolf must find a way to outsmart their adversaries and emerge victorious In this text Samuel and his mysterious companion navigate through various dark and eerie settings encountering hooded figures and supernatural entities Samuel embraces the darkness within him and finds a sense of belonging with his companion They explore abandoned places including an amusement park and an old hospital and encounter both terrifying and joyful experiences Samuel realizes that he can find happiness in both the light and the darkness and he learns to balance the two Despite facing challenges and feeling a sense of unease Samuel remains

determined to face whatever horrors await him Samuel and his companion find themselves in a series of encounters with the Keepers of the Dark a group of hooded figures who worship darkness and seek to bring about a new age of darkness They face off against the Keepers in various locations including an abandoned hotel and a sealed room with strange symbols Along the way they encounter strange creatures and experience the influence of dark energy Despite their efforts to defeat the Keepers they realize that the darkness is still present and that they must continue their journey to confront it They encounter whispers glowing red eyes and more encounters with the Keepers but they also find allies including a werewolf Together they face the Keepers in their headquarters and manage to temporarily repel them However they are warned that the Keepers will not give up easily and that they must remain vigilant In this text Samuel Emily and Isaac have just defeated the Keepers of the Dark but quickly realize that their battle against darkness is far from over They encounter a monster hunter named Hunter who joins their group As they continue their journey they find themselves in the lair of the Cult of the Dark surrounded by its members The leader of the cult Vlad claims to have something they need In this text Samuel and his friends encounter a small glowing crystal that promises ultimate power However they soon realize that the crystal's owner Vlad cannot be trusted They manage to escape his trap and find themselves in a beautiful garden where they bond over laughter and camaraderie They continue their journey facing haunted mansions a desolate wasteland and a pack of werewolves Along the way they make a deal with an old woman that grants them dark power but curses them with lycanthropy As they struggle to control their newfound instincts they find themselves faced with the temptation to harm innocent people The guilt begins to consume them and they question the consequences of their actions In this text Samuel and his former friends are haunted by a curse and the darkness that surrounds them They engage in battles encounter strange creatures and face the temptation of power and immortality Despite their efforts to escape the darkness continues to pursue them leading to further encounters and challenges They strive to find a way to rid themselves of the curse and the darkness but their journey is filled with danger and uncertainty Along the way they discover the importance of their humanity and the need to confront their past actions Ultimately they must confront their fears and make difficult choices in order to find redemption and a chance at a new life In this thrilling and suspenseful story Samuel and his friends are faced with the darkness that promises power and control As they battle against the darkness and its creatures they realize they are hopelessly outnumbered However Jack refuses to give up hope and tries to bring Samuel back from the darkness Eventually they defeat the darkness and continue their journey to find the source of the darkness Along the way they face numerous challenges and obstacles but their determination remains unwavering They finally reach the heart of the darkness and engage in a fierce battle against a monstrous creature After a long and grueling fight they emerge victorious However they soon encounter an eerie silence and a feeling of dread They stumble upon a stone archway that leads them to a twisted and horrifying world They confront the source of the darkness a monstrous entity and engage in a final battle They emerge triumphant but forever changed In the

end they find solace in a cottage but soon realize that something is amiss The old woman they encounter turns out to be dangerous and they witness her demise The story ends with a sense of foreboding as they continue their journey knowing that there is still darkness to face The woman introduced herself as Evelyn a former member of the Keepers of the Dark who had managed to escape their clutches She explained that she had been tracking Samuel and his group knowing that they were the key to stopping the Keepers once and for all Evelyn led Samuel and his companions to a hidden underground lair where they found a group of rebels who were also fighting against the Keepers They were a diverse group each with their own unique abilities and skills Together they formed a plan to infiltrate the Keepers stronghold and put an end to their reign of terror They knew it would be dangerous but they were willing to risk everything to save themselves and the world from the darkness that threatened to consume it As they prepared for the final battle Samuel couldn't help but feel a mix of fear and determination He knew that the odds were against them but he also knew that they had come too far to give up now With Evelyn and the rebels by his side Samuel faced his greatest challenge yet The battle was fierce and intense with both sides fighting with everything they had But in the end it was Samuel and his companions who emerged victorious The Keepers of the Dark were defeated their power broken Samuel and his group had saved the world from their malevolent influence But the victory came at a great cost Many lives were lost and Samuel couldn't help but feel a sense of sadness and grief for those who had fallen As the dust settled Samuel and his companions stood together battered and bruised but filled with a sense of hope They had proven that even in the face of darkness there was always a glimmer of light And so Samuel and his group continued their journey knowing that there would always be new challenges and dangers to face But they also knew that as long as they stood together they would never be alone Samuel and his companions along with the woman with the decapitated head regrouped and discussed their next steps in stopping the Keepers of the Dark They decided to research the history of the mansion to find clues about the portal However they knew they had to be cautious as the Keepers were aware of their investigation Samuel and Emily continue their journey to defeat the Keepers of the Dark They stumble upon a peaceful village where they gather information about the Keepers past defeat Feeling optimistic they find an inn to rest for the night and enjoy a moment of peace Samuel is determined to make things right and defeat the Keepers once and for all Samuel and Emily continued their journey through the forest their senses on high alert They couldn't shake the feeling that they were being watched and the presence of the creature they had encountered earlier lingered in their minds As they walked the forest grew darker and more foreboding The trees twisted and contorted their branches reaching out like skeletal fingers The air grew heavy with an eerie silence broken only by the sound of their footsteps Suddenly a rustling noise came from the bushes nearby Samuel and Emily froze their hearts pounding in their chests They drew their weapons ready to defend themselves against whatever was lurking in the shadows Out of the bushes emerged a figure its body covered in tattered robes It was an old man his face weathered and lined with wisdom He approached them cautiously his eyes filled

with a mixture of curiosity and concern Who are you Samuel asked his voice filled with suspicion The old man smiled kindly I am the Guardian of the Forest he replied I have been watching over this place for centuries Samuel and Emily exchanged glances unsure of whether to trust the old man But something about his presence felt comforting and they decided to hear what he had to say The darkness that you have encountered the old man continued it is not of this world It is a force that seeks to consume everything in its path He paused his eyes filled with a deep sadness Long ago there was a great battle between the forces of light and darkness The darkness was sealed away but it seems that it is now trying to break free Samuel and Emily listened intently their curiosity piqued The old man s words resonated with them and they felt a sense of purpose stirring within their hearts You two the old man said his voice filled with urgency you have been chosen to be the champions of light It is up to you to stop the darkness from spreading and save our world Samuel and Emily exchanged determined looks They knew that this was their calling their chance to make a difference in the face of overwhelming darkness We won t let you down Samuel said his voice filled with determination The old man nodded a glimmer of hope in his eyes Remember the power of light resides within you Trust in yourselves and you will prevail With those final words the old man disappeared into the forest leaving Samuel and Emily with a renewed sense of purpose They continued their journey their hearts filled with a newfound determination They knew that the road ahead would be difficult but they were ready to face whatever challenges lay in their path Together they would fight against the darkness and bring light back to their world Their adventure was just beginning and they were prepared to embrace the unknown with open hearts and unwavering courage Samuel and Emily find themselves haunted by the presence of a dark creature and the ominous papers they discovered They stumble upon the Cult of the Dark a group they had been warned about and are surrounded by its members Just as they fear the worst Vlad a man they had met before appears and uses a glowing crystal to transport them to a twisted realm In this realm they are tempted by a seductive voice but choose to trust Vlad Armed with their own crystals they confront the cult members and manage to escape They return to the abandoned mental institution where their journey began knowing that their battle against the darkness is far from over As they leave the twisted realm they are met by a circle of animals and a massive black wolf The wolf communicates with them telepathically before disappearing leaving them with a sense of relief and a determination to face any future horrors together

**The Books of "Is"** Dr. R. Lowery-Hawk D.D.  
D.R.S. PhD.,2012-08-29 The first Books of IS is full of contemplative designs and graftics along with rhythmic writings All are created to move gently your sences and your brain to stiring you awake and into thinking sensing and obseving the life within you and around you The writings and graphics are meant to be contemplated upon and carried into your daily life so to awaken you to the truth of you and the universe of life here now and beyond here and the now I have also included pages at the end of each chapter for the reader s own inspired writings brought on by the repeated readings and contemplations of the writings and graphics in this book so to assist in the activation of your creative and intellectual mind right and left brain

functions The Books of IS came about after my being mysteriously intuitively guided for over twenty eight years to write down messages of a higher conscious level on truths of life myself and all life in general The writings in BOOK ONE The Dance of Becoming are compiled writings from a higher presence of love that I was receiving during a strong inter sensing to write down what was calling to me This first began occurring during my pre teens then again as an adult during times of great sorrow or and loneliness As an adult and after writing for almost a year the writings began taking on a deeper nature They began to change into messages and memories of truth guidance and gentle love coming forth giving me more of the peace and joy they had been creating within me The desire to write more called often and strongly yet pleasantly to me and the experience of it all was ecstasy I began to realize that I must have been touching down into deeper parts of myself and then rising up to the higher parts of me my Higher Soul I was then feeling such peace joy and knowing that I no longer felt sadness nor loneliness Instead I felt the great desire and joy to experience and to know more It felt as if at these times I was my TRUE SELF I felt complete and all knowing I felt like I was with the Holies of Holies and the Angels Then in the year 1984 I was telepathically told by these Sacred Messengers of a higher power Creator to put all these writings into books and when the time came publish them to aid all mankind all existence From these writings I receive messages and teachings that went beyond mundane and into the higher planes of existence connecting me with the Creator of all principles of all life There I connected with Holy Messengers of various kinds I had asked for validation on all this and soon found myself miraculously being lead to the meeting of those who were Guardians of these ancient long protected Sacred Truths along with findings in old books and other similar occurrences and people These validations ranged from old mystery schools of various kinds to ancient indigenous beliefs on creation and a higher powerful being to more modern religions and scientific findings I also was lead in syn with others who too were receiving similar writings with same truths some written a bit differently In 1884 I was given the spiritual telepathic message that in the future I would be compiling these and other writings into books to be published for the world This was so that many people could be reached more quickly for the quickening had begun They told me that the writings in this book and in others were seed truths selectively and rhythmically placed camouflaged seeming at first to those not ready as stories of mere fantasy so called make believe and sci fi I was told the writings are done this way so to gently but powerfully unlock the encoded truths within those who hear or read them and view the graphics These writings therefore are like camouflaged words codes hidden to many but obvious to those who were ready remembering awakening therefore protected from those who would abuse them and interpret them with misunderstanding in a negative way thereby creating too much chaos *Love to Give Denise Johnson, 2007-12* Such a simple desire that of becoming parents Yet it evaded Ron and Denise as years of infertility plagued them Finally an opportunity to adopt the baby of a college roommate looked to be the answer to their prayers Then they learned that they were finally pregnant Life would at last be all they had planned However tragedy struck leaving them with unfulfilled dreams and inexplicable grief Could this

truly be God's will for their lives. Would they ever be parents as they so desired? As they struggled to find a way to move on, they began a journey that brought them to the brink of their faith and to the feet of God as He healed their lives and fulfilled their dreams. An inspirational true life story of grief, healing, hope, and God's amazing plan that will inspire you to see the gift of children from a new perspective.
