Child Care Research Policy And Practices:

Forty Years of Research, Policy and Practice in Children's Services Nick Axford, Vashti Berry, Michael Little, Louise Morpeth, 2005-06-24 Founded in 1963 Dartington Social Research Unit conducts scientific research into child development within the context of children's services with a view to informing interventions for children in need Originating from a festschrift to celebrate the work of Roger Bullock one of Dartington's first researchers and a Fellow of the Centre for Social Policy this book from a prestigious author team examines developments in children's services over the past forty years providing a context for future policy making Ten key areas are covered including foster care and family support while two overview chapters explore 40 years of Social Research and Gaps in the Knowledge and Future Challenges **Effective Practice with Looked After Children** Robin Sen, 2018-03-30 Since the key developments that policy and research have undergone over the course of the past years meeting the specific needs of looked after children is a priority for modern social work policy and practice This comprehensive text combines an accessible overview of statutory policy and legislation with analysis of core theories and interventions to provide a guide for effective practice with children in all care settings by Covering legislation as well as research based analysis of the key interventions and practice methods in the field Meeting market needs students and practitioners struggle with the dearth of specific material on looked after children this text supports them in a core component of social work study and practice Consolidating learning through its use of reflective questions case studies exercises and research analysis This book offers an accessible overview of the care context in Britain and is essential reading for students and practitioners wishing to develop effective practice within childcare Research Policy and Practice in Literacy and Language Education, 1995 Developing Multiprofessional Teamwork for Integrated Children's Services: Research, Policy, Practice Nick Frost, Mark Robinson, 2016-07-16 There is continuing emphasis on delivering services for children through joined up thinking and integrated working This fully updated new edition is an important practical resource for all professionals charged with planning implementing and evaluating multi professional teamwork and practice in children's services The book investigates the reality for professionals behind the rhetoric of joined up thinking and explores the perspectives of professionals about the impact of multi agency teamwork on their professional knowledge and their ways of working In addition it identifies dilemmas and challenges and presents exemplars of good practice It skillfully combines theoretical perspectives research evidence from the real world of children's services and reflections on policy and practice in inter agency services in England Retaining its popular approach and reflecting the numerous changes to policy practice and research the book Exemplifies what multi professional work looks like in practice Examines real dilemmas faced by professionals trying to make it work and shows how these dilemmas can be resolved Considers lessons to be learnt implications for practice and recommendations for making multi professional practice effective As well as supportive guidance useful theoretical frameworks and helpful evidence based insights into practice this new

edition has been expanded to include a whole new section covering emerging themes in working together such as sexploitation and children s front door approaches to integrated working Written by a multi disciplinary writing team and without the use of unnecessary jargon this book is a key resource for students on courses studying early childhood and families as well as social workers teachers family support workers health workers and managers of a range of children and youth services Temporary Assistance for Needy Families (TANF) Program ... Annual Report to Congress ,2000

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose,Professor Colette McAuley,Peter Pecora,2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions **Federal Register** ,2002-05 *Resources in Education* ,1994-05 **Social Service Abstracts** ,1991 **Policy & Practice** ,2001

Evidence-based Practice in the Early Childhood Field Virginia Buysse,Patricia W. Wesley,2006 The concept of evidence based practice is helping early educators special educators early interventionists child care professionals mental health professionals social workers health care professionals and others work together more effectively to transform the services provided to children and families This unique book defines the evidence based practice movement and explains how it is empowering professionals to deliver the most effective interventions available The authors examine how evidence based practice is changing the way research is conducted how research findings can be applied to solve real world problems and how research can be used to inform critical policy decisions **Evaluating Child Protection** David H. Thorpe,1994 It

describes a project which was used in the design of a computerized child protection information system Based on the quantitative and qualitative analysis of 325 substantiated and at risk child protection cases reported to a state child welfare agency it focuses on the outcomes of child protection interventions as described in case file text **Illinois**

Prekindergarten Program for Children at Risk of Academic Failure ... Summary Report ,1997 **Another Kind of Home** Angus Skinner,Social Work Services Inspectorate for Scotland,1992 This report provides a strategic overview of the issues confronting residential child care services and at the same time addresses some basic issues that affect the experience and quality of daily life of young people in residential care The focus of the review has been the 154 homes and schools in Scotland which are either run by or registered with a local authority social work department and provide care for the purposes of the Social Work Scotland Act 1968 The emphasis throughout the report is on the young people s personal experience of theis public service with its immediate and long term effects on individuals lives **Continuity and**

Discontinuity of Experience in Child Care Donald L. Peters,Susan Kontos,1987 Research & Publications Report ,1988

Protecting Children John Bates,Richard Pugh,Neil Thompson,1997 Child protection is a complex and demanding area of practice which is constantly evolving with new challenges appearing with every change that occurs This important book

presents a set of readings produced by a range of academics and practitioners each with a significant contribution to make to our understanding of the challenges and change that characterize contemporary practice The book is divided into three parts The first part addresses a number of key issues which are having an important impact on child protection services The second part is concerned with children who hurt children who have not only experienced abuse but who also go on to abuse others The final part concerns itself with issues of staffing supporting staff in the difficult changes they face

The Handbook of Training and Practice in Infant and Preschool Mental Health Karen Moran Finello, 2005-01-25 The Handbook of Training and Practice in Infant and Preschool Mental Health This comprehensive and highly useful guide offers students and practicing clinicians who work with infant and preschool populations a much needed resource for developing and honing their professional skills and clinical experiences The book contains vital information about general training issues and highlights the skills that are needed to be considered a competent professional Written by top experts in the field from a wide range of disciplines the authors address basic areas of training and practice with very young children including observation assessment diagnosis dyadic therapy and reflective supervision in addition to unique areas of clinical work such as reunification and adoption evaluations The book also offers examples of innovative models of training and practice for the delivery of services in nontraditional settings such as homes day care centers and preschools and special strategies for delivering clinical services and providing supervision in rural and remote settings including the use of technology A representative group of infant mental health professionals take a valuable look at the compelling issues in training and practice through lenses richly diverse in focus setting and intent JEREE H PAWL former director of the Infant Parent Program at San Francisco General Hospital This provocative volume compels a broader dialogue about the critical issues related to the interdisciplinary training and practice of infant mental health specialists HIRAM E FITZGERALD University Distinguished Professor Psychology Kellogg Center Michigan State University This timely and rich volume illuminates the complex issues involved both in conceptualization of infant family practice and of practitioner preparation and support A superb and valuable contribution DONNA R WESTON director Graduate Certificate Program in Infant Mental Health University of Washington Center for Infant Mental Health and Development

Contemporary Issues in Social Work Steven Shardlow, Malcolm Payne, 1998 A review of significant developments in social work practice and education across a range of European states Each chapter is written by a leading expert from the country in question and describes analyses and comments upon the most important developments in social work since 1990 As a result of this approach the book captures the very essence of current developments in Europe This is of increasing importance given the growing interest in the wider context of professional practice

Child Care Research, Policy and Practice Barbara Kahan, 1989 This book brings together contributions from writers specializing in research on major topic areas relevant to practitioners in the child care field The initial chapters identify first how research is carried out then the increasingly diverse household circumstances in

which children are reared in Britain and where children are cared for outside their families The chapters which follow focus on forms of substitute care The book is for students coming from a wide range of educational backgrounds It aims to demystify research for students and to explore and trace the relationships between research policy and good practice
