

Child Criminal Justice

Frank Merenda

Child Criminal Justice:

(In)justice for Juveniles Ira M. Schwartz, 1989-01-01 In this highly charged insightful investigation Ira Schwartz takes us through a fascinating inquiry into the entire juvenile justice system in the United States Tracing the past twenty years of attempted reforms through current trends he measures the impact of various administrative legal and fiscal reform efforts and illustrates how the contemporary juvenile justice system is still in shambles for the majority of our youth *Juvenile Crime, Juvenile Justice* Institute of Medicine, National Research Council, Commission on Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Law and Justice, Panel on Juvenile Crime: Prevention, Treatment, and Control, 2001-07-05 Even though youth crime rates have fallen since the mid 1990s public fear and political rhetoric over the issue have heightened The Columbine shootings and other sensational incidents add to the furor Often overlooked are the underlying problems of child poverty social disadvantage and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime From a policy standpoint adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals between rehabilitation and get tough pronouncements In the midst of this emotional debate the National Research Council's Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis Juvenile Crime Juvenile Justice presents recommendations for addressing the many aspects of America's youth crime problem This timely release discusses patterns and trends in crimes by children and adolescents trends revealed by arrest data victim reports and other sources youth crime within general crime and race and sex disparities The book explores desistance the probability that delinquency or criminal activities decrease with age and evaluates different approaches to predicting future crime rates Why do young people turn to delinquency Juvenile Crime Juvenile Justice presents what we know and what we urgently need to find out about contributing factors ranging from prenatal care differences in temperament and family influences to the role of peer relationships the impact of the school policies toward delinquency and the broader influences of the neighborhood and community Equally important this book examines a range of solutions Prevention and intervention efforts directed to individuals peer groups and families as well as day care school and community based initiatives Intervention within the juvenile justice system Role of the police Processing and detention of youth offenders Transferring youths to the adult judicial system Residential placement of juveniles The book includes background on the American juvenile court system useful comparisons with the juvenile justice systems of other nations and other important information for assessing this problem *Judging Children As Children* Michael A. Corriero, 2006 At a time when America's court system increasingly tries juvenile offenders as adults Michael Corriero draws directly from his experience as the founding judge of a special juvenile court to propose a new approach to dealing with youthful offenders Since 1992 Judge Corriero has presided over the Manhattan Youth Part a New York City court specifically designed to discipline teenage offenders Its guiding principles clearly laid out in this book are that children are

developmentally different from adults and that a judge can be a formidable force in shaping the lives of children who appear in court Judging Children as Children makes a compelling argument for a better system of justice that recognizes the mental emotional and physical abilities of young people and provides them with an opportunity to be rehabilitated as productive members of society instead of being locked up in prisons

Child Abuse and the Criminal Justice System Kimberly A. McCabe, 2003 Annotation This book describes physical and behavioral indicators of abuse theoretical explanations of child abuse the characteristics of abusers and responses to child abuse by the criminal justice system BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Children and Crime Connie M. Tang, 2018-08-02 Children and Crime offers a multidisciplinary and research based approach to the study of child maltreatment and juvenile delinquency Connie M Tang first examines children as victims of maltreatment exploring how developmental trauma and societal factors influence children s behavior and psyche Topics covered include child neglect physical abuse sexual abuse and psychological abuse Later chapters address how children come into conflict with the law and discuss gang membership and substance abuse Engaging real life case studies illustrate the intersectionality of race gender and crime as well as the role of Child Protective Services and juvenile courts In particular Tang examines how abuse and neglect can later play a role in a child s delinquency Children and Crime provides an innovative and accessible text for psychology social work and criminal justice courses in child abuse neglect and delinquency

Violence Against Children in the Criminal Justice System Wendy O'Brien, Cédric Foussard, 2019-09-11 Children who come into conflict with the law are more likely to have experienced violence or adversity than their non offending peers Exacerbating the deleterious effects of this childhood trauma children s contact with the criminal justice system poses undue risks of physical sexual and psychological violence This book examines the specific forms of violence that children experience through their contact with the criminal justice system Comprising contributions from leading scholars and practitioners in children s rights and youth justice this book profiles evidence based prevention strategies and case studies from around the world It illustrates the diversity of contexts in which various forms of violence against children unfold and advances knowledge about both the nature and extent of violence against children in criminal justice settings and the specific situational factors that contribute to or inhibit the successful implementation of violence prevention strategies It demonstrates that specialised child justice systems in which children s rights are upheld are crucial in preventing the violence inherent to conventional criminal justice regimes Written in a clear and accessible style this book will be of interest to students and researchers engaged in studies of criminology and criminal justice youth justice victimology crime prevention and children s rights

Bad Kids Barry C. Feld, 1999-03-18 Written by a leading scholar of juvenile justice this book examines the social and legal changes that have transformed the juvenile court in the last three decades from a nominally rehabilitative welfare agency into a scaled down criminal court for young offenders It explores the complex relationship between race and youth crime to explain both the

Supreme Court decisions to provide delinquents with procedural justice and the more recent political impetus to get tough on young offenders This provocative book will be necessary reading for criminal and juvenile justice scholars sociologists legislators and juvenile justice personnel Children and Crime in India Saju Parackal,Rita Panicker,2019-07-09 This book offers a sociological exploration of street children in India and what pulls and pushes them into delinquency at a time when the government of India is contemplating strengthening its juvenile justice system It draws on in depth qualitative research carried out by an NGO which included unstructured and structured interviews with over 600 children as well as stakeholders Through the stories of Indian children this book examines the major factors which together play a crucial role in their engagement in deviant behaviour as they grow up However the authors argue that they should not be viewed not as a dangerous threat but as the country s most valuable resource The authors conclude that a punitive strategy may not be the best option advocating instead for a focus on restorative justice which has been found to be effective and beneficial alongside other strategies which help strengthen families and enhance parenting skills For the Children? Erica R. Meiners,2016-10-15 Childhood has never been available to all In her opening chapter of For the Children Erica R Meiners stakes the claim that childhood is a racial category often unavailable to communities of color According to Meiners this is glaringly evident in the U S criminal justice system where the differentiation between child and adult often equates to access to stark disparities And what is constructed as child protection often does not benefit many young people or their communities Placing the child at the heart of the targeted criminalization debate For the Children considers how perceptions of innocence the safe child and the future operate in service of the prison industrial complex The United States has the largest prison population in the world with incarceration and policing being key economic tools to maintain white supremacist ideologies Meiners examines the school to prison pipeline and the broader prison industrial complex in the United States arguing that unpacking child protection is vital to reducing the nation s reliance on its criminal justice system as well as building authentic modes of public safety Rethinking the meanings and beliefs attached to the child represent a significant and intimate thread of the work to dismantle facets of the U S carceral state Taking an interdisciplinary approach and building from a scholarly and activist platform For the Children engages fresh questions in the struggle to build sustainable and flourishing worlds without prisons Youth, Crime, and Justice Erika Gebo,Carolyn Boyes-Watson,2022-11-14 Each of the twelve chapters in Youth Crime and Justice begins with a compelling case that illustrates the core concepts and real life stories which frame the ongoing challenges of the societal institutions charged with meeting the needs of children and youth These case studies are combined with a list of learning objectives key terms critical thinking questions and lists of additional resources New to this edition Highlights significant recent changes in juvenile justice across the U S Emphasis on recent scholarship on the victim offender overlap and the impact of Adverse Childhood Experiences on delinquent outcomes Expanded discussions on youth police relations technology influences and system

impacts on youth of color undocumented and immigrant youth and LGBTQ youth An open access Companion Website for students is provided that includes interactive flashcards and other learning material Additional resources including Powerpoint Lecture notes and Test Banks are provided for Instructor use [Children's Rights](#) Wouter Vandenhoele, Gamze Erdem Türkelli, Sara Lembrechts, 2019 This Commentary is a fully up to date solid legal work on children's rights It offers a contemporary legal perspective on the inherently interdisciplinary field of children's rights It responds to the scarcity of legal commentaries in a landscape where several handbooks covering different disciplines have been published in recent years It is succinct and seeks to capture the essence yet offers a sophisticated analysis of children's rights law and branches out into other disciplines where relevant in light of the recent legal and social developments *Disrupted Childhoods* Jane A Siegel, 2011-04-03 Millions of children in the United States have a parent who is incarcerated and a growing number of these nurturers are mothers *Disrupted Childhoods* explores the issues that arise from a mother's confinement and provides first person accounts of the experiences of children with moms behind bars Jane A Siegel offers a perspective that recognizes differences over the long course of a family's interaction with the criminal justice system Presenting an unparalleled view into the children's lives both before and after their mothers are imprisoned this book reveals the many challenges they face from the moment such a critical caregiver is arrested to the time she returns home from prison Based on interviews with nearly seventy youngsters and their mothers conducted at different points of their parent's involvement in the process the rich qualitative data of *Disrupted Childhoods* vividly reveals the lived experiences of prisoners' children telling their stories in their own words Siegel places the mother's incarceration in context with other aspects of the youths' experiences including their family life and social worlds and provides a unique opportunity to hear the voices of a group that has been largely silent until now *Juvenile Justice* Steven M. Cox, Jennifer M. Allen, Robert D. Hanser, 2017-08-17 The text is written from a practical standpoint which students are likely to understand and appreciate Lindsey Livingston Runell J D Ph D Kutztown University Brief focused and up to date *Juvenile Justice A Guide to Theory Policy and Practice* Ninth Edition is a must have text that takes students on a journey through the practical realities of the juvenile justice system and the most current topics in the field Students not only learn about the history process and theories of the juvenile justice system but they also gain access to the latest crime measurements and explore important issues such as community based sanctions treatment and rehabilitation gangs and international youth crime Emphasizing evidence based practices the authors guide readers through the methods and problems of the system and offer realistic insights for students interested in a career in juvenile justice Real life examples excellent pedagogical features and a complete online ancillary package are provided to help instructors effectively teach the course and help students learn interactively Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning Learn more at edge.sagepub.com/coxjj9e

Youth Justice and Child Protection Malcolm Hill, Andrew Lockyer, Frederick H. Stone, 2007 This book is an examination of recent developments in the areas of youth justice and child protection It investigates how well young people and the societies in which they live are served by judicial and service systems Consideration is given to those in care in young offenders institutions foster families and residential homes as well as those living with their families A broad range of international experts discuss the largely segregated youth justice and children s legal and service systems in England and Wales other parts of Western Europe and the US and compare these with Scotland s integrated system The implications of these arrangements are considered for the rights of children and parents on the one hand and society on the other The contributors also provide insights into the rationale for current and proposed policies as well as the efficacy of different systems This book will be an important reference for policy makers social workers lawyers magistrates and equivalent decision makers health professionals carers and all those working in youth justice and child protection It is highly relevant for academics and students interested in children citizenship youth crime child welfare and state family relations **Child Abuse, Child Exploitation, and Criminal Justice Responses** Daniel G. Murphy, April G. Rasmussen, Corie Schoeneberg, Joy Cover, 2026 The purpose of this book is to evaluate child abuse by recognizing how significant the problem is in the United States through the subjectivity of identifying and defining what constitutes child maltreatment Provided by publisher Children's Courts in the United States International Penal and Prison Commission, 1973 Journal of Social and Political Sciences Asian Institute of Research, 2023-12-30 The Asian Institute of Research Journal of Social and Political Sciences is a peer reviewed International Journal of the Asian Institute of Research The journal covers scholarly articles in the fields of Social and Political Sciences which include but not limited to Humanities Arts Psychology Anthropology Government Studies Political Sciences Sociology International Relations Law Public Administration History Philosophy Arts and Cultural Studies The Journal of Social and Political Sciences is an Open Access Journal that can be accessed and downloaded online for free Thus ensuring high visibility and increase of citations for all research articles published The journal aims to facilitate scholarly work on recent theoretical and practical aspects of Social and Political Sciences Academics Policymakers and researchers are open to submit their manuscript at any time Criminal Law and the Rights of the Child in Muslim States Nisrine Abiad, Farkhanda Zia Mansoor, 2010 This book is based on a project on the Rights of the Child in Criminal Law in Iran and Other Muslim States carried out by The British Institute of International and Comparative Law The goal of this project is to enhance the implementation of non discriminatory laws relating to children in Muslim States criminal justice systems through training research and providing support to advocacy work The book is the result of a comparative study on the age of criminal liability in Muslim States aimed at providing strong material for advocacy and research on the subject National Rapporteurs from Muslim and European States have participated in completing a questionnaire on the subject The countries involved in the study include Afghanistan Egypt Iran Malaysia Nigeria United

Arab Emirates Pakistan Spain as well as the UK In order to place the study in context it also features chapters covering the history of child criminal law and an introduction to Islamic criminal law as it

An Introduction to Juvenile Justice Frank Merenda,2021-11-05 Although incarceration rates of juveniles in the United States have decreased over the past ten years the U S still confines the highest number of youths compared to any other developed country in the world Since the inception of the Juvenile Justice system society s perception of children and how they should be treated within the Criminal Justice System has not only influenced the outcomes of our youths future but is ever changing This changing and sometimes volatile system is scrutinized not only by our nation but the rest of the world A primary goal of this text is to enable students to evaluate the system by providing not only a comprehensive look at its creation and development but the intricacies within that have made it what it is today In addition to providing the mainstream topics this text goes further than competitors in its unique approach and cutting edge content that ranges from learning activities to sections on victim impact theoretical and practical applications provocative discussion questions comprehensive wrap ups and relevant laws and landmark cases Further this text provides comprehensive coverage of the effects of the digital age on juveniles specifically social media sexting cyberbullying child pornography and abduction A separate chapter covers the effects of media violence on youths including how television movies and modern virtual reality video games have advanced in both content and accessibility At the end of each chapter a world view of the topics covered offers comparative perspectives an engaging and informative feature for students

Childhood and Crime Claire McDiarmid,2007 This book seeks to probe the existing response of primarily the Scottish legal system to children who commit such crimes Page 2

Child Criminal Justice Introduction

In today's digital age, the availability of Child Criminal Justice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Child Criminal Justice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Child Criminal Justice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Child Criminal Justice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Child Criminal Justice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Child Criminal Justice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Child Criminal Justice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Child Criminal Justice books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Child Criminal Justice books and manuals for download and embark on your journey of knowledge?

FAQs About Child Criminal Justice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Child Criminal Justice is one of the best book in our library for free trial. We provide copy of Child Criminal Justice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Child Criminal Justice. Where to download Child Criminal Justice online for free? Are you looking for Child Criminal Justice PDF? This is definitely going to save you time and cash in something you should think about.
