**Child of Conflict , The Korean War in History** James Cotton,Ian Neary,1989 *Child of Conflict* Bruce Cumings,1983 The Metamorphosis of U.S.-Korea Relations Jongwoo Han,2022-04-04 This book contends that the long history of America s interaction with Korea started with the signing of the Treaty of Peace Amity Commerce and Navigation in 1882 and with the establishment of the Seward Shufeldt Line William Seward and Robert Shufeldt shared the same vision of achieving their American goal by opening Korea and extending the Seward Shufeldt Line from Alaska to link it with the Philippines and the Samoan Islands thus completing a perfect perimeter for the American era of the Pacific and for its dominance in the Asian market Initiating diplomatic and trading relations with Korea was Commodore Shufeldt s finishing touch on the plan for achieving American hegemony in the coming 20th century In turn the decline of Chinese sphere of influence over the Korean Peninsula and the fall of Russian power in the region with the consequential rise of Japanese power there which led to a change from the SS Line to the Roosevelts Theodore Franklin Line the colonization of Korea the division of Korea the Korean War and has brought America back nearly full circle to that first encounter in Pyeongyang the regrettable General Sherman Incident in 1866 This book argues that the United States must uphold its early commitment to peace and amity by now normalizing relations with North Korea in order to bring closure to the Korean Question **The War for Korea, 1945-1950** Allan Reed Millett,2005 When the major powers sent troops to the Korean peninsula in June of 1950 it supposedly marked the start of one of the last century s bloodiest conflicts In volume 1 Allan Millett however reveals that the Korean War actually began with partisan clashes two years earlier and had roots in the political history of Korea under Japanese rule 1910 1945 In volume 2 he shifts his focus to the twelve month period from North Korea s invasion of South Korea on June 25 1950 through the end of June 1951 the most active phase of the internationalized Korean War **The Korean War** Keith D. McFarland,2009-12-04 The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland s clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making The Korean War a necessity for every academic or research library Pacific Powderkeg, American Nuclear Dilemmas in Korea Peter John Hayes,1989 *The Korean War at Sixty* Steven Casey,2014-06-11 Korea used to be the forgotten war Now however experts widely view it as a pivotal moment in the history of the Cold War while its legacy still scars contemporary East Asian politics The sixtieth anniversary of the Korean War is a fitting time both to assess the current state of historiography on the conflict and to

showcase new research on its different dimensions This book contains six essays by leading experts in the field These essays explore all aspects of the war from collective security and alliance relations to home front politics and historical memory They are also international in scope focusing not just on the familiar Western belligerents but also on the actions of the two Koreas China and the Soviet Union These stimulating essays shed new light on various aspects of the Korean War experience as well as examining why the war remains so important to the politics of the region This book was originally published as a special issue of *Journal of Strategic Studies*

**Mao's Military Romanticism** Shu Guang Zhang,1995 Zhang argues that war in Korea offered Mao yet another opportunity to expand and consolidate his political power at home while at the same time uniting the Chinese proletariat against Yankee imperialism and proving to the international community that China had arrived as a major world power

**The Presidency of Dwight D. Eisenhower** Chester J. Pach,Elmo Richardson,1991 The best single volume available on the Eisenhower presidency Stephen E Ambrose author of *Eisenhower*

**The Cold War Comes to Main Street** Lisle A. Rose,1999 In 1950 Main Street American was abruptly traumatized The sudden prospect of thermonuclear war with the Soviet Union Senator McCarthy s vicious anticommunist crusade and the beginning of the Korean War all combined to dampen the public mood The Cold War invaded every home Rose maintains that 1950 was a pivotal year for the nation He argues that the convergence of Korea McCarthy and the bomb wounded the nation in ways from which we ve never fully recovered Brimming with originality this book makes readers look at the Cold War from a dozen different angles
