Child of My Heart Alice McDermott, 2007-04-01 A young girl s astonishing poignant first look into the turbulent heart of things I had in my care that summer four dogs three cats the Moran kids Daisy my eight year old cousin and Flora the toddler child of a local artist There was also for a while a litter of wild rabbits three of them that had been left under our back steps Alice McDermott s haunting and enchanting new work of fiction her first since the bestselling *Charming Billy* winner of the 1998 National Book Award is narrated by a woman who was born beautiful Her parents decided that her best chance in life was to marry a wealthy man so she was raised on the east end of Long Island among the country houses of the rich On the cusp of fifteen she is the town s most sought after babysitter cheerful beloved a wonder with children and animals but also a solitary soul with an already complex understanding of human nature when her favorite cousin Daisy comes to spend the summer The narrator s witty piquant deeply etched evocation of all that was really transpiring under the surface during that seemingly idyllic season gives her wry tale infused with suppressed passion disappointment and enduring hope its remarkable vividness and impact Once again Alice McDermott explores the mysterious depths of what seems like everyday life with unforgettable insight and resonant emotional power

From My Heart To Yours Anya Robinson, 2010-08-11 Andrea Anya Robinson has finally surrendered to the demands of her family friends and fellow authors to publish her first book *From My Heart to Yours* Anya is a prolific writer and motivational speaker whose words capture the heart and listening ears of her audiences as she takes us on her road so traveled in her quest to find self Now she is taking it a step further by empowering others with not only the spoken word but the written word in a clear and more visible way Her words will energize the energy deficient motivate the unmotivated and ignite those whose flames were extinguished from adversities and temporary setbacks in their lives Anya s writings will restore faith hope and dreams as you turn the pages of *From My Heart to Yours* Anya s life experiences formed the foundation for the vision of a motivational message that was buried deep within her which became a book When her vision became clear the concept for her book *From My Heart to Yours* was conceived and during the formulating and growing process it became a healing session for her As you read each message you will feel a sense of newness peeling away layers as you become renewed You may even discover that you have experienced the same feelings in your life but there were no words to describe it This book speaks to people whose life has been turned upside down or at a place you never thought you would be the crossroad of life waiting for the signal to move on Each of the writings have been residing deep within her Spirit as she shares them with us she emerges as a light in dark places Her book is an expression of a woman who has waited
