

WHAT IT MEANS TO BE CHILDLESS TODAY

Wanda: "My family thought I was kidding. They didn't believe me at first. They thought I'd change my mind. I didn't. I'm glad I have no regrets."

Mary Ann: "I would never consider having a child unless I was married. I keep hoping for I might run into a distinguished gentleman who wants to spend his life with me and then I can take care of his grandchildren. At least that someone would not mind being 'Dad's probably the funniest. Nobody's ever going to call me mom . . . and."

Benny: "People say to me 'You're married, you're got a house. What's the problem?' It's not being childbearing with a given or even marriage."

Joan: "I have been someone who desperately wanted children—I wanted already—I'm alone. I was someone who I thought was right, that was important . . . I knew what his feeling was on the subject of not wanting children and I knew I wanted to marry him. But would have to be my choice too. I didn't have to make a choice. I chose my husband."

Richard: "The population is our biggest problem and people are not acting the responsible way. We are doing a service to the planet—don't let us who chose not to have kids."

Book Description: *Impassioned, candid, revealing. Childless by choice or by chance, women without children take candidly their situation with varying degrees of acceptance, the strength of their numbers grows. But in a population emergency, childless women are leaders in our imperfect cultural shift. The sociological impact of this growing demographic group is immense, widely discussed. Having a voice and women face our future, the Childless Revolution gives voice to the childless experience and at long last addresses the issue of childless women and society.*
