Children And Childhood In Roman Italy:

Children and Childhood in Roman Italy Beryl Rawson, 2003 Concepts of childhood and the treatment of children are often used as a barometer of society's humanity values and priorities *Children and Childhood in Roman Italy* argues that in Roman society children were in principle and often in practice welcome valued and visible There is no evidence directly from children themselves but we can reconstruct attitudes to them and their own experiences from a wide variety of material art and architecture artefacts funerary dedications Roman law literature and public and private ritual There are distinctively Roman aspects to the treatment of children and to children's experiences Education at many levels was important The commemoration of children who died young has no parallel in earlier or later societies before the twentieth century This study builds on the dynamic work on the Roman family that has been developing in recent decades Its focus on the period between the first century BCE and the early third century CE provides a context for new work being done on early Christian societies especially in Rome *Children and Childhood in Roman Italy* Beryl Rawson, 2003 [Children in Early Christian Narratives](#) Sharon Betsworth, 2015-04-23 Sharon Betsworth examines the narratives parables and teachings of and about children in the gospels and the literature of Early Christianity Betsworth begins with a discussion of the social historical context of children and childhood in the first century before discussing the role of children in all four gospels She shows that for Mark and Matthew children are integral to understanding each evangelist's perspective on the reign of God and on Jesus identity in each Gospel In the Gospel of Luke the childhood of Jesus is shown to be crucial to the broader themes of the Gospel In the Gospel of John Betsworth examines the metaphorical use of the word children looking at children of light and of darkness She then explores stories of Jesus childhood in the non canonical Infancy Gospels of James and Thomas as well as the childhood of his mother Mary in the latter shedding light upon views of children discipleship and the person of Jesus in early christianity and in the ancient world more generally *Children's Literature* Seth Lerer, 2009-04-01 Ever since children have learned to read there has been children's literature *Children's Literature* charts the makings of the Western literary imagination from Aesop's fables to Mother Goose from Alice's Adventures in Wonderland to Peter Pan from Where the Wild Things Are to Harry Potter The only single volume work to capture the rich and diverse history of children's literature in its full panorama this extraordinary book reveals why J R R Tolkien Dr Seuss Laura Ingalls Wilder Beatrix Potter and many others despite their divergent styles and subject matter have all resonated with generations of readers *Children's Literature* is an exhilarating quest across centuries continents and genres to discover how and why we first fall in love with the written word Lerer has accomplished something magical Unlike the many handbooks to children's literature that synopsise evaluate or otherwise guide adults in the selection of materials for children this work presents a true critical history of the genre Scholarly erudite and all but exhaustive it is also entertaining and accessible Lerer takes his subject seriously without making it dull Library Journal starred review Lerer's history reminds us of the wealth of literature written

during the past 2 600 years With his vast and multidimensional knowledge of literature he underscores the vital role it plays in forming a child s imagination We are made he suggests by the books we read San Francisco Chronicle There are dazzling chapters on John Locke and Empire and nonsense and Darwin but Lerer s most interesting chapter focuses on girls fiction A brilliant series of readings Diane Purkiss Times Literary Supplement

Infancy and Earliest Childhood in the Roman World Maureen Carroll,2018-03-01 Despite the developing emphasis in current scholarship on children in Roman culture there has been relatively little research to date on the role and significance of the youngest children within the family and in society This volume singles out this youngest age group the under one year olds in the first comprehensive study of infancy and earliest childhood to encompass the Roman Empire as a whole integrating social and cultural history with archaeological evidence funerary remains material culture and the iconography of infancy it explores how the very particular historical circumstances into which Roman children were born affected their lives as well as prevailing attitudes towards them Examination of these varied strands of evidence drawn from throughout the Roman world from the fourth century BC to the third century AD allows the rhetoric about earliest childhood in Roman texts to be more broadly contextualized and reveals the socio cultural developments that took place in parent child relationships over this period Presenting a fresh perspective on archaeological and historical debates the volume refutes the notion that high infant mortality conditioned Roman parents not to engage in the early life of their children or to view them or their deaths with indifference and concludes that even within the first weeks and months of life Roman children were invested with social and gendered identities and were perceived as having both personhood and value within society

Entering God's Kingdom (Not) Like A Little Child Eunyung Lim,2021-09-07 What does it mean to be like a child in antiquity How did early Christ followers use a childlike condition to articulate concrete qualifications for God s kingdom Many people today romanticize Jesus s welcoming of little children against the backdrop of the ancient world or project modern Christian conceptions of children onto biblical texts Eschewing such a Christian exceptionalist approach to history this book explores how the Gospel of Matthew 1 Corinthians and the Gospel of Thomas each associate childlikeness with God s kingdom within their socio cultural milieus The book investigates these three texts vis vis philosophical historical and archaeological materials concerning ancient children and childhood revealing that early Christ followers deployed various aspects of children to envision ideal human qualities or bodily forms Calling the modern reader s attention to children s intellectual incapability asexuality and socio political utility in ancient intellectual thought and everyday practices the book sheds new light on the rich and diverse theological visions that early Christ followers pursued by means of images of children

Papers in Italian Archaeology VII: The Archaeology of Death Edward Herring,Eoin O'Donoghue,2018-08-13 This volume collects more than 60 papers by contributors from the British Isles Italy and other parts of continental Europe and North and South America focussing on recent developments in Italian archaeology from the Neolithic to the modern period

Rethinking Children's Citizenship

T. Cockburn, 2012-11-16 This book explores the relationship between children and citizenship analyzing international perspectives on citizenship and human rights and developing new methods for facilitating the recognition of children as participating agents within society *Children, Childhood and Society* Sally Elizabeth Ellen Crawford, Gillian B. Shepherd, 2007 The IAA Series is an interdisciplinary volume reflecting the wide geographical chronological and disciplinary range of the Institute of Archaeology and Antiquity at the University of Birmingham The volumes are based on a thematic research seminar series held at the IAA Childhood was an obvious theme to initiate the new series The Institute has a strong record of publication in the field and members of the Institute have made a significant contribution to childhood studies The Institute is also host to the Society for the Study of Childhood in the Past which was established to pursue and foster interdisciplinary approaches to the study of childhood **Childhood, Class and Kin in the Roman World** Suzanne Dixon, 2005-08-19 It can be difficult to hear the voices of Roman children women and slaves given that most surviving texts of the period are by elite adult men This volume redresses the balance An international collection of expert contributors go beyond the usual canon of literary texts and assess a vast range of evidence inscriptions burial data domestic architecture sculpture and the law as well as Christian and dream interpretation literature Topics covered include child exposure and abandonment children in imperial propaganda reconstructing lower class families gender burial and status epitaphs and funerary monuments adoption and late parenthood The result is an up to date survey of some of the most exciting avenues currently being explored in Roman social history De Infantia Iesu Evangelium Thomae Graecae Tony Burke, 2010 **Socialising the Child in Late Medieval England, C. 1400-1600** Merridee L. Bailey, 2012 The question and procedures of integrating children into wider society during the medieval and early modern period are debated across a wide range of contemporary texts This study examines ways in which vernacular literature provided a guide to socialising children *Journal of Biblical Literature*, 2007 **Childhood and Violence in the Western Tradition** L. W. B. Brockliss, Heather Montgomery, 2010 This text is divided into six The first four deal with different manifestations through the centuries of what would be today considered violence and neglect The fifth and sixth chapters look at the various violent and non violent strategies used by children as coping mechanisms in what to us seems a very harsh world **Arctos**, 2015 Acta Instituti Romani Finlandiae, 2005 Contextualizing Late Greek Philosophy Elizabeth Key Fowden, Garth Fowden, 2008 *The Classical Review*, 2005 **Antichthon**, 1997 A journal of ancient world studies main emphasis on Greece and Rome but includes the Ancient Near East and the Mediterranean from the beginnings of civilization to the Early Middle Ages *The Pseudo-Clementines* Jan N. Bremmer, 2010 In recent years the so called apocryphal literature has increasingly drawn the attention of scholars interested in early Christianity ancient history and the ancient novel New editions of the most important texts have already appeared or are being prepared We are therefore pleased to announce a new series Studies on Early Christian Apocrypha formerly called Studies on the Apocryphal Acts of the Apostles The editors welcome contributions on

individual aspects of the main texts be it proceedings of conferences or monographs Jan N Bremmer is Professor of Religious Studies at the Rijksuniversiteit Groningen and a well known expert on Greek and Roman religion as well as Early Christianity
