[Protecting Children in the Digital Era](#) Eva Lievens, 2010-07-26 From the mid 1990s onwards concerns regarding the exposure of children to harmful content in the increasingly digital media environment intensified Soon thereafter policy makers across Europe realised that alternative regulatory instruments such as self and co regulation might be more appropriate than traditional legislation to

address this matter of public interest Taking the complex and delicate nature of protecting minors into account this book provides an in depth legal analysis of the alternative regulatory instruments that can be used to regulate content in the digital era with particular attention to the protection of fundamental rights such as freedom of expression privacy and procedural guarantees internal market regulation competition rules and implementation requirements **De Gruyter Handbook of Citizens' Assemblies** Min Reuchamps,Julien Vrydagh,Yanina Welp,2023-05-31 Citizens Assemblies CAs are flourishing around the world Quite often composed of randomly selected citizens CAs arguably come as a possible answer to contemporary democratic challenges Democracies worldwide are indeed confronted with a series of disruptive phenomena such as a widespread perception of distrust and growing polarization as well as low performance Many actors seek to reinvigorate democracy with citizen participation and deliberation CAs are expected to have the potential to meet this twofold objective But despite deliberative and inclusive qualities of CAs many questions remain open The increasing popularity of CAs call for a holistic reflection and evaluation on their origins current uses and future directions The De Gruyter Handbook of Citizens Assemblies showcases the state of the art around the study of CAs and opens novel perspectives informed by multidisciplinary research and renewed thinking about deliberative participatory processes It discusses the latest theoretical empirical and methodological scientific developments on CAs and offers a unique resource for scholars decision makers practitioners and curious citizens to better understand the qualities purposes promises but also pitfalls of CAs The Regeneration of Infants and the Salvation of Children W.J. Hughes,1902 Human Rights of Migrant Children Kristina Touzenis,2008 **Children's Rights: Progress and Perspectives** Michael Freeman,2011-10-28 More has been written about children childhood and children s rights in the last 20 years than in the rest of history There are more university courses focusing on children now than ever before The International Journal of Children s Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal s work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children s rights is to be found throughout this collection as is the history of children s rights Some articles are devoted to the UN Convention others cover a wide selection of issues relating to different children s rights ranging from children and religion the relationship between women and children and children and health and how children perceive their rights The Children's Newspaper and Children's Pictorial ,1919 The Millennium Development Goals UNICEF.,2003 **Children and Childhood at the Start of the New Millennium** John Coleman,2000 The State of the World's Children ,2004 **Millennium: Children's History of 20th Century** ,1999 **The Congregationalist** ,1922
