Children of a Lost Spirit N. R. Logan,1991 *Voices Lost, Spirit Found* Colee Q. Bethany,2021-03-16 One of my mother s favorite lines is if you don t have anything nice to say don t say anything at all The principle still rings true but there s a difference between being nice and being taken advantage of We sometimes find it difficult to say no Whatever the reason we can t say no I m here to tell us that we can We can change our situations if we determine that we are ready to If you are ready for change I hope that you will engross yourself on this journey of finding your voice This workbook is meant for anyone who feels beaten down by life Jesus knows all about you He is calling you to draw closer to Him and receive His Spirit He will fill you with a boldness that you have never known Ephesians 1 18 He already gave you the strength to go through this process Isaiah 41 10 You are never alone God is everything you need During this process God will reveal things to us that we couldn t see before We all have mountaintop and valley experiences He promises to be with us through them all This workbook will also help us to understand the people around us but use this workbook to understand you first We need to be able to heal in order to help others Voices Lost Spirit Found takes you through a journey of discovering some reasons for repressed emotions Revealing some unhealthy coping mechanisms is the next step The final step is to give some healthy coping mechanisms to replace the unhealthy ones I know you don t like where you are because you re looking for answers I pray you find the answers through this workbook and prayer This workbook gives you food for thought and space for your own thoughts and prayers

Soul Chaser Nicholette Campbell,2014-09-23 If you could spare a child her death would you do it What if saving her life meant relinquishing your own And if you were told the fate of your soul depends on your choice would it affect your decision In *Soul Chaser* these are the questions sixteen year old Raven Bishop must struggle with every day She has been chosen by divine force to carry out a bizarre paranormal assignment following her own untimely death she is given new life which she can then surrender to spare a child from experiencing death And with each new death she is once again given new life and yet another opportunity to die for an innocent child s sake For Raven as it would be for anyone in her place this is an assignment that is easier said than done especially as a self absorbed teenager But youth is the least of her concerns and is no excuse Indeed the very fate of her soul depends on her ability to break free from her self centered tendencies and better understand obedience and the true meaning of selflessness Can she complete her mission or is her soul in danger of condemnation
