The Black Child-Savers Geoff K. Ward, 2012-06-27 During the Progressive Era a rehabilitative agenda took hold of American juvenile justice materializing as a citizen and state building project and mirroring the unequal racial politics of American democracy itself Alongside this liberal manufactory of citizens a parallel structure was enacted a Jim Crow juvenile justice system that endured across the nation for most of the twentieth century In *The Black Child Savers* the first study of the rise and fall of Jim Crow juvenile justice Geoff Ward examines the origins and organization of this separate and unequal juvenile justice system Ward explores how generations of black child savers mobilized to challenge the threat to black youth and community interests and how this struggle grew aligned with a wider civil rights movement eventually forcing the formal integration of American juvenile justice Ward s book reveals nearly a century of struggle to build a more democratic model of juvenile justice an effort that succeeded in part but ultimately failed to deliver black youth and community to liberal rehabilitative ideals At once an inspiring story about the shifting boundaries of race citizenship and democracy in America and a crucial look at the nature of racial inequality *The Black Child Savers* is a stirring account of the stakes and meaning of social justice **The Well-being of Children and Families** Arland Thornton, 2001 An interdisciplinary examination of how well American families and children are faring at the start of the third millennium **A Child's Journey** Julius

Segal, Herbert C. Yahraes, 1979 **The Black Family** Robert Staples, 1999 Many of the articles in this edition are new delving into such areas as welfare reform stress and male female relationships the movement to redefine the racial labels of Blacks with a recent biracial heritage and sexual risk taking Expanded sections on parenting marriage and divorce and family violence focus your attention on these key areas of current interest *The Loneliness of Children* John Killinger, 1980

Doing the Ethnography of Schooling George Spindler, 1988 This book is about schooling in the U S from the particular point of view of ethnography It tries to show how ethnography as the field arm of anthropology can give fresh insights into perplexing educational problems **On The Edge** Carl H. Nightingale, 1993-11-16 While living in a North Philadelphia ghetto Nightingale became friends with its youth He discovered that what seems to most middle class white Americans to be an utterly foreign world is in fact saturated in American mainstream values An original history of the deterioration of urban life since WWII Women and Ambition Patricia Spencer Faunce, 1980 Human Behavior and Environment: Children and the environment Irwin Altman, Joachim F. Wohlwill, 1976 **The Development of the Self** Robert L. Leahy, 1985 **The Career Development Quarterly** , 1989 Majority-minority Relations John E. Farley, 2005 For sophomore junior level courses in Majority Minority Relations or Race and Ethnic Relations in departments of sociology and ethnic studies and for college and university courses on diversity This topically organized text is designed to develop students understanding of the principles and processes that shape the patterns of relations between racial ethnic and other groups in society Organized by topic this book provides a more integrated look at the social forces that affect different racial groups The Relationship Between African-American Mothers' Marital Status and Children's Perception of Parental Roles, Family Relationships, and Future Life Choices Shirley L. Ray, 1998 **Social and Personality Development** David Reed Shaffer, 1988 The highly respected first edition with its strong research base and clear exposition is thoroughly updated to include new coverage of biological theories and the recent attribution and social information processing approaches The Cultural Context of Childhood Ronald W. Henderson, John R. Bergan, 1976 **Children's Ethnic Socialization** Jean S. Phinney, M. J. Rotherham, Mary Jane Rotheram-Borus, 1987-03 Published in cooperation with the Society for Research in Child Development Most children whether from majority or minority ethnic groups have contact with groups other than their own and must learn to live with ethnic diversity How do children respond to and deal with the differences among groups in both the observable characteristics and in the less obvious values and norms How do children come to understand the meaning of their own and others ethnic group membership How does the impact of ethnicity change with development These are some of the questions that this book addresses The aim of this edited volume is to provide an integration of existing research and theory about the process by which ethnicity affects children and the ways in which children come to understand their own and others ethnicity Research in this area contributes to the understanding of developmental processes that shape children s self concept and self esteem their attitudes and behaviors toward their own and other groups as well as the way they are evaluated by others

Understanding such processes may suggest methods of facilitating a child's personal development and promoting positive cross ethnic interactions. This book is an excellent reference source for professionals working in the areas of developmental psychology, education, social work, and ethnic studies. The development of child ethnic identity and cognizance of ethnic difference is well covered in this collection of seminal essays by psychologists and other professionals concerned with ethnicity and its manifestations. The collection as a whole stresses the conclusions that ethnic group differences have a significant impact on development and that this impact varies with the age of the child. The collection will serve as a basic source for investigators into childhood ethnicity. Upper division undergraduates and above. Choice. The book will benefit therapists and researchers engaged with minority populations. Teachers of developmental psychology and human behavior would also find it useful. Readings. A Journal of Reviews and Commentary in Mental Health. Phinney and Rotheram provide a valuable summary of ethnic differences along the dimensions of group versus individual orientation, active versus passive coping style, attitudes toward authority, and expressive versus restrained communication. Readers will obtain some valuable insights on children's ethnic attitudes and identification from this book. Contemporary Psychology.
