## **Children Of The Empire:**

*School Journal* ,1919      Lost Children of the Empire Philip Bean, Joy Melville, 2018-03-14 Originally published in 1989 The extraordinary story of Britain's child migrants is one of 350 years of shameful exploitation Around 130 000 children some just 3 or 4 years old were shipped off to distant parts of the Empire the last as recently as 1967 For Britain it was a cheap way of emptying children's homes and populating the colonies with good British stock for the colonies it was a source of cheap labour Even after the Second World War around 10 000 children were transported to Australia where many were subjected to at best uncaring abandonment and at worst a regime of appalling cruelty *Lost Children of the Empire* tells the remarkable story of the Child Migrants Trust set up in 1987 to trace families and to help those involved to come to terms with what has happened But nothing can explain away the connivance and irresponsibility of the governments and organisations involved in this inhuman chapter of British history      **The Cambridge Review** ,1917      **Critical**

**Approaches to Food in Children's Literature** Kara K. Keeling, Scott T. Pollard, 2012-03-20 This book is the first scholarly volume to connect children's literature to the burgeoning discipline of food studies Spanning genres and regions the essays utilize a variety of approaches including archival research cultural studies formalism gender studies post colonialism post structuralism race studies structuralism and theology      *Orders in Council of the Imperial Government* Canada, 1917

The Educational Times, and Journal of the College of Preceptors ,1913      *The Biographical Cyclopaedia of American Women* ,1924      Neo-Imperialism in Children's Literature About Africa Yulisa Amadu Maddy, Donnarae MacCann, 2008-12-28 In this book the authors expose the neo imperialist overtones of contemporary children's fiction about Africa Examining the portrayal of African social customs religious philosophies and political structures in fiction for young people Maddy and MacCann reveal the Western biases that often infuse stories by well known Western authors      **British Malaya** ,1926      *Education Outlook* ,1913      **Popular Children's Literature in Britain** Julia Briggs, Dennis Butts, 2016-12-05 The astonishing success of J K Rowling and other contemporary children's authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children's books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children's preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they consider the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine

in often unpredictable ways to generate and sometimes even sustain literary success      *National Character in South African English Children's Literature* Elwyn Jenkins,2006 This is the first full length study of South African English youth literature to cover the entire period of its publication from the late nineteenth century to the early twenty first century What gives this book particular strength is its coverage of literature up to the 1960s which has until now recieved almost no scholarly attention Not only is this earlier literature a rewarding subject for study in itself but it also throws light on subsequent literary developments Jenkins also makes comparisons with American Canadian and Australian children s literature This book is essential reading for anyone seeking to understand children s literature in the context of adult South African literature and South African cultural history BOOK JACKET      **The British Film Catalogue** Denis Gifford,2019-09-16 First published in 2001 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to 1994 Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars      *Children's Stories in English Literature from Shakespeare to Tennyson* Henrietta Christian Wright,1892      **Proceedings of the Annual Meeting and Annual Reports** Ontario Historical Society,1904      **Children of the Church Magazine** ,1904      Popular Educator ,1922      The Child ,1922      Canal Record ,1909      *Maternity and Child Welfare* ,1921
