In the process I learned a great deal about the route I should have taken to retirement from the time I accepted my first academic appointment to the time I submitted my intention to retire. Join me as I relive my long journey so that you may avoid my wrong turns and succeed in reaching your ultimate destination: a worry-free retirement despite the risks and uncertainties you will surely face when you retire." The book includes simple questionnaires and worksheets to help you determine where you stand and think through your options.
