Boones Lick:

Boone's Lick Larry McMurry, 2010-06-01 Pulitzer Prize winning author Larry McMurry returns to the Old West in a fast moving comic tale about a woman determined to conquer anything that stands in the way of an ultimate confrontation with her wayward husband In his first historical novel in ten years Larry McMurry introduces Mary Margaret a nineteenth century version of the formidable unforgettable Aurora Greenway of Terms of Endearment Mary Margaret is married to Dickie who hauls supplies to the forts along the Oregon Trail and as Mary Margaret rightly suspects enjoys the pleasures of other women across most of the frontier Fed up and harboring a secret love of her own she collects the kids her brother in law Seth her sister Rosie and her cranky father and makes her way westward to settle things once and for all The story of their trek across the country is packed with the elements McMurry fans love encounters with historical figures such as Wild Bill Hickock and U S Army colonel Fetterman whose incompetence resulted in one of the bloodiest massacres in the history of the American West larger than life fictional characters who join the family on their journey and confrontations with nature at its wildest With characters based on actual traders of the Old Santa Fe Trail Boone s Lick is vintage McMurry
