Border And Territorial Disputes A Keesings Reference Publication:

Border and Territorial Disputes Judith Bell,1982 *Border and Territorial Disputes* Judith Bell,1987 This completely updated edition covers some 80 contemporary border and territorial disputes throughout the world It is arranged geographically in five sections covering Europe Africa the Middle East the Far East and the Pacific and the Americas and Antarctica The contributors provide an objective and factual guide to the historical origins and development of each dispute the current status in each case and the attitudes of the states involved Each dispute is also illustrated by a map showing the particular border or territory at issue ISBN 0 8103 2543 8 Gale 120 00 For use only in the library **Border and Territorial Disputes** Alan J. Day,1987 Military geography for professionals and the public ,1998 Military geography one of several subsets within those broad confines concentrates on the influence of physical and cultural environments over political military policies plans programs and combat support operations of all types in global regional and local contexts Key factors displayed in table 1 directly sometimes decisively affect the full range of military activities strategies tactics and doctrines command control and organizational structures the optimum mix of land sea air and space forces intelligence collection targeting research and development the procurement and allocation of weapons equipment and clothing plus supply maintenance construction medical support education and training Island Disputes and Maritime Regime Building in East Asia Min Gyo Koo,2010-05-06 islands has emotional content far beyond any material significance because giving way on the island issue to Japan would be considered as once again compromising the sovereignty over the whole Korean peninsula For Japan the Dokdo issue may lack the same degree of strategic and economic values and emotional appeal as the other two territorial disputes that Japan has had with Russia and the two Chinas namely the Northern Territories Southern Kurile Islands and the Senkaku Islands respectively Nevertheless fishing resources and the maritime boundary issues became highly salient with the introduction of UNCLOS Also the legal political and economic issues surrounding Dokdo are all intertwined with Japan s other territorial disputes to the extent that concessions of sovereignty on any of these island disputes could jeopardize claims or negotiations concerning the rest South Korea and Japan have forged a deeper diplomatic and economic partnership over the past decade A new spirit of partnership after the landmark joint declaration of 1998 culminated in the successful co hosting of the World Cup 2002 At the end of 2003 the two neighbors began to negotiate an FTA to further strengthen their already close economic ties South Korea s decades long embargo on Japanese cultural products has now been lifted while a number of South Korean pop stars are currently sweeping across Japan creating the so called Korean Wave fever A pragmatic calculation of national interests would thus suggest cooperative behavior **The Middle East and North Africa** Clive H. Schofield,Richard N. Schofield,2012-09-10 Middle East and North Africa brings together some of today s most influential analysts of a region which from colonial times to the present has seen great territorial change The Impact of Coincidence in Modern American, British, and Asian History Bruce A.

Elleman,2023-10-10 In 21 short case studies this short book examines the distinctive coincidental history of America Britain and various Asian countries during the twentieth century It covers a wide range of historical events from American expansion into the Pacific to the creation of the Soviet gulags in Siberia to the end of the Vietnam War Its main goal is to show how watershed historical events can often become layered or overlap each other sometimes by intent but often merely by happenstance As Ian Fleming once famously opined about actions in war Once is happenstance Twice is a coincidence Three times is enemy action *Military Geography for Professionals and the Public* John M. Collins,1998 This book covers many topics that are crucial to military planning but often receive only passing mention in histories or briefings Collins a former Army officer stresses land geography but he does not stint oceans the atmosphere or interplanetary space His discussions of urban areas are too brief given the increasing amount of large scale violence in cities since the end of World War II *A Just Peace Through Transformation* Chadwick Alger,2021-11-18 These are the Proceedings of the International Peace Research Association Eleventh General Conference in 1988 Covering subjects such as Societal Foundations of Peace The Problems of Peace Research The Impact of the Peace Movement on Public Opinion and others **Boundary Issues in Central Asia** Necati Polat,2021-09-06 *Boundary Issues in Central Asia* provides detailed answers to What was the legal framework within which the new states of Central Asia attained statehood How did the administrative divisions of the former Soviet Union evolve almost over night into inter state frontiers and on what legal basis Are Central Asian states content with the post independence border arrangements What outstanding border issues with states adjacent to the former Soviet Central Asia were inherited by Central Asian states from the USSR the predecessor state What became in particular of the perennial border disputes of the predecessor state with China What border issues with the latter have since been settled by Central Asian states and what issues are pending resolution as well as to a host of other boundary related questions such as the minority self determination and ethno border issues with significant bearings on the stability of the existing territorial arrangements the legal regimes for the use of transboundary watercourses in the region including the dispute over the legal status of the Caspian Sea with its vast hydrocarbon resources Published under the Transnational Publishers imprint Walford's Guide to Reference Material Marilyn Mullan,1989 **Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion** Albert John Walford,Marilyn Mullan,Priscilla Schlicke,Library Association,1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been completely updated with additional material in economics business and management **Memorandum of Information of Foreign Affairs and the World Crisis** ,1980 *Encyclopedia of World Political Systems* J. Denis Derbyshire,Ian Derbyshire,2016-04-15 This comprehensive resource provides up to date political coverage of every country and political

entity in the world today It incorporates all the major global and regional changes following the decolonization of Hong Kong in 1997 recent leadership changes in China and Russia the results of the Dayton Peace Accord the rise of the New Labor Party in the UK the 1999 elections in Israel and South Africa and the continued search for peace in the Middle East and Northern Ireland The economic crisis in Asia and the widespread growth of world nuclear powers are also covered

British Bulletin of Publications on Latin America, the Caribbean, Portugal and Spain, 1978 Land/boundary Conflict in Africa Emmanuel M. Mbah, 2008 This work analyzes every aspect of the land and boundary dispute tracing the conflict from pre colonial times through the period of decolonization and beyond The manuscript s interdisciplinary approach combines elements of political science anthropology and economics Privatization Robert D. Fraser, Michael Wilson, 1988 Examines the background and growth of nationalized industries and of other public sector industrial service and commercial activities in the United Kingdom and the rapid process of sales *Women's Movements of the World* F. John Harper, 1988 Directory guide information sources womens organizations womens rights women developed countries developing countries ratification of ILO Conventions No 100 and 111 **Peace and Disputed Sovereignty** Friedrich Kratochwil, Paul Rohrlich, Harpreet Mahajan, 1985-11-06 Examines the different types of border disputes by going beyond the traditional questions of titles of territory and issues of the location of the boundary Through an historical analysis the authors show that boundaries serve a variety of functions depending on the social relationships they were intended to mediate Eight case studies are cited as examples to examine alternative strategies for resolving disputes Co published with the Institute of War and Peace at Columbia University *Recommended Reference Books for Small and Medium-Sized Libraries and Media Centers, 1984* Bohdan S.
