Borgia Chalice:

The Borgia Chalice Derek Wilson, 2012-11-30 One of the most fabulous treasures of the Renaissance the Borgia Chalice carries with it a dark aura for legend has it that the notorious Rodrigo Borgia Pope Alexander VI could use this cup to poison his enemies yet drink from it himself without harm Security expert Tim Lacy has no superstitious fear of the chalice's supposed powers and nor do the six people who drink from it after Lacy buys it for a client But within the hour four of those people are dead all of them art critics who had mercilessly attacked the chalice's late owner Gregor Santori as a fraud Yet Santori's son and daughter who also drank from the cup are unaffected Is it possible that this is revenge from beyond the grave Lacy sets out to unearth the truth in Rome where revelations of sordid Vatican politics have remarkable contemporary echoes Before long Lacy finds himself racing between the art establishments of two continents in pursuit of a criminal more ruthless than he could ever have known

Unquiet Spirit Derek Wilson, 2012-11-30 A haunting in St Thomas's College Cambridge bitterly divides the college and the Cambridge branch of the Psychic Investigation Unit is invited to carry out an experiment to settle the unrest But when the main opponent of the plan Professor Hawkrige insists on being present for the nocturnal investigation and suddenly drops dead that very night the press has a field day and the college needs answers Sir Joseph Zuytlestein the College Master asks Dr Nathaniel Gye if he can make some discreet enquiries with a view to closing the whole sorry business But when they receive some disturbing anonymous letters that seem to prove the undergraduate whose unquiet spirit supposedly haunts St Thomas's did not commit suicide ten years earlier but was murdered the case suddenly becomes altogether more serious

The Hellfire Papers Derek Wilson, 2012-11-30 When the Master of St Mary's House Cambridge hires Tim Lacy to retrieve a collection of eighteenth century documents willed to it by a wealthy past member of the college he omits to mention that these manuscripts have a possible connection with the suicide of the late Dean and that there are those who remain determined to ensure that the documents never reach the College library Supposedly penned by a scandal mongering member of the notorious Hellfire Club these papers if genuine could be of enormous historical significance and monetary value And their significance is not lost on Lacy when an academic friend who has been helping him on the case is murdered When it emerges that the Hellfire Club has repercussions into the highest circles of the current day Lacy must fight to reveal a dark long kept secret before anyone else pays with their life

The Dresden Text Derek Wilson, 2012-11-30 When the Dresden Text a treasured fragment of medieval illuminated manuscript is stolen from a prestigious New York gallery its loss hits Tim Lacy hard His firm was responsible for the safety of the exhibits but even more devastatingly a colleague was killed during the break in Within days the police acting on an anonymous tip off have traced the armed robber There is a shoot out and the criminal is killed But the suspiciously swift wrapping up of the case leaves too many questions unanswered for Tim Lacy Why was the Dresden Text stolen when other rarer more valuable exhibits were on display nearby Why have the police been ordered to close the file And where is the Dresden Text now

Convinced that only the answers to these questions will lead to those responsible for his colleague's murder Tim sets out to unravel a dark and complex mystery **Az Murder Goes...Artful** Barbara G Peters,Susan Lea Malling,2010-01-31 Raymond Chandler called it The Simple Art of Murder but It never has been simple to write mysteries This volume explores the crimes in novels that are rooted in the worlds of art architecture and antiquities *Material for a History of Pope Alexander VI, His Relatives, and His Time* Peter De Roo,1924 **The Borgias.
