Born For This Moment:

You Were Born for This Moment Faith Randolph, 2025-02-12 Jack Foster is a man who just wants to keep his family safe but this all goes wrong when tragedy strikes his home and his whole world is flipped upside down Jack must learn to deal with new grief and life changing injuries while also somehow maintaining a strong face for what remains of his family The regime took everything from Jay Hastings when he was just a child He found a new home with the rebellion And with that he gained a new family and new friends There is nothing that will stop him from trying to keep the ones he loves safe even if it means running into someone from his past For there is one person in particular that he would give up the world to protect but that also makes her his greatest weakness Hazel Foster must live the legacy her grandfather left behind The only problem is she has no idea what this legacy is All she knows is that the regime that controls her country hates Christians and that evil would do anything to see faith in God destroyed After a sudden tragedy strikes at her family home Hazel learns she must decide between revenge or faith She must decide to either become a beacon of hate or of hope Along the way she battles with finding courage and with loss and even opens her heart to love The question is will she be able to follow in the footsteps her grandfather left behind And will someone finally tell her the truth about the past and what her crucial role is in preserving the future Or will she remain in the dark as she strives to become a beacon of light for others
