Bornholm, night ferry Aidan Higgins,1979 **Bornholm Night-ferry** Aidan Higgins,2006 During the five years of their adulterous affair Finn Fitzgerald and Elin Marstrander spend only 47 days and nights together At each of their meetings in Spain or London or on the tiny island of Bornholm in the Baltic Sea which serves as their last refuge they try to conjure a reality that will correspond to that of the passionate letters they exchange while apart Elin a Danish poet and Fitz an Irish novelist send each other beautiful loving words as well as evocative jabs of cruelty often in the same letter In the whirling world of their writing they attempt to enjoy their love in the calm they can t find in their daily lives But as reality their lovers and their children their failures and regrets creeps in their relationship inevitably crumbles The dream ends

Bornholm Night-ferry Aidan Higgins,1983 Chopin s funeral bisecting the 19th century stands as a turning point with both his life and music playing out at the crossroads His decline and death following a series of catastrophes and on the brink of a new style were final chapters in an often tragic life but also reflected larger historical forces the end of a world that fostered his particular genius the wounds of exile and most fatally the loss of love An intimate close up of the composer s last years it is also the story of the artist as hero At the close of his life with no home or money his physical powers failing Chopin grappled with nothing less than a new musical form **Epistolary Structure and Its Theoretical Field in Aidan**

The System of Vienna Gert

Jonke,2009 The System of Vienna details Gert Janke s travels through Vienna by streetcar reporting the bizarre and frustrating encounters he experiences as he progresses and meanwhile moving not just from trolley stop to trolley stop but through life as well from innocence to disillusionment birth to death Ionke meets a paranoid fish wholesaler who believes he is directing all of Austrian politics from his little stall a stamp collector in such deadly earnest he hopes to be appointed to a professorship in philately and a compulsive talker who has developed a rigorous economic philosophy out of the most

common objects to be found in a Vienna neighborhood Slowly increasing the comic and fantastic elements in his story until they overwhelm all pretense to autobiography culminating in a strangely touching love scene between Ionke and a caryatid The System of Vienna reminds us that the very act of describing a life turns it into fiction Book Jacket **The Scriblerian and the Kit-Cats** ,1989 The Wiley Blackwell Companion to Contemporary British and Irish Literature Richard Bradford,Madelena Gonzalez,Stephen Butler,James Ward,Kevin De Ornellas,2020-09-03 THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH AND IRISH LITERATURE An insightful guide to the exploration of modern British and Irish literature The Wiley Blackwell Companion to Contemporary British and Irish Literature is a must have guide for anyone hoping to navigate the world of new British and Irish writing Including modern authors and poets from the 1960s through to the 21st century the Companion provides a thorough overview of contemporary poetry fiction and drama by some of the most prominent and noteworthy writers Seventy three comprehensive chapters focus on individual authors as well as such topics as Englishness and identity contemporary Science Fiction Black writing in Britain crime fiction and the influence of globalization on British and Irish Literature Written in four parts The Wiley Blackwell Companion to Contemporary British and Irish Literature includes comprehensive examinations of individual authors as well as a variety of themes that have come to define the contemporary period ethnicity gender nationality and more A thorough guide to the main figures and concepts in contemporary literature from Britain and Ireland this two volume set Includes studies of notable figures such as Seamus Heaney and Angela Carter as well as more recently influential writers such as Zadie Smith and Sarah Waters Covers topics such as LGBT fiction androgyny in contemporary British Literature and post Troubles Northern Irish Fiction Features a broad range of writers and topics covered by distinguished academics Includes an analysis of the interplay between individual authors and the major themes of the day and whether an examination of the latter enables us to appreciate the former The Wiley Blackwell Companion to Contemporary British and Irish Literature provides essential reading for students as well as academics seeking to learn more about the history and future direction of contemporary British and Irish Literature A Christmas Feast, Incorporating Winter's Tales ,1983 **Literary Interrelations: Comparison and impact** Wolfgang Zach,1987 *Thank You for Not Reading* Dubravka Ugrešić,2003 A critique of the book publishing industry *Irish University Review* ,1985 *The Modern Irish Novel* Rüdiger Imhof,2002 Many contemporary Irish writers are discussed in detail in this book including Samuel Beckett Edna O'Brien and John McGahern Writers such as Roddy Doyle and Patrick McCabe are also placed under Imhof's microscope **Journal of Beckett Studies** ,1993 *The Novel and the Nation* Gerry Smyth,1997 Recent developments in Irish literature are largely ignored in existing critical texts on Irish culture This is the first study to make a detailed examination of the new novelists and themes emerging in the genre as well as covering the foundations of contemporary Irish fiction Gerry Smyth provides a broad overview of the forms and theories that comprise the traditional Irish novel and explores the ways in which modern writers challenge established notions of Irish fiction Focusing
