The Boston Garden Richard A. Johnson,Brian Codagnone,2002 For seven decades the Boston Garden functioned as both a de facto community center and the indoor entertainment hub of New England Known to millions as the home of the Bruins and Celtics the Garden was also home to a variety of other events The Boston Garden was truly a people s palace serving as a venue for events both grand and humble monumental and mundane It was nothing less than the city s playpen music hall political clubhouse tavern cathedral and living room The Boston Garden opened on November 17 1928 to an overflow audience who witnessed local boxer Dick Honeyboy Finnegan defeat reigning world featherweight champion Andre Routis in a non title bout Three days later the

Bruins greeted a crowd that fire department officials estimated was nearly four thousand above maximum capacity The Boston Garden captures these moments and the unique relationship that was forged with the city right from the beginning During the Great Depression the Garden hosted countless community events such as free public skating and religious services It was Boston s main attraction with concerts wrestling school sports and the ever popular Bruins Later years saw the birth of the Boston Celtics in 1946 and their unsurpassed record of sixteen world championships Following World War II and through the baby boomer years performers as diverse as Liberace Elvis and the Rolling Stones also packed fans in The Boston Garden was demolished in 1998 to make room for the Central Artery and private development but it lives on in the hearts of New Englanders
