**Boulder City** Paul W. Papa,2017-06-12 In the depths of the Great Depression the United States undertook a task so monumental it demanded nearly five thousand people to complete The Hoover Dam stands as a modern marvel a testament to America s ingenuity However few know the story of the town that built the dam To house the workers Secretary of Interior Ray L Wilbur envisioned a model of city planning giving birth to Boulder City Wilbur intended for the city to be temporary to disappear once the dam was complete but it didn t work out that way Local author Paul W Papa offers a unique look at a town that may have been forged by a dam but took on a life of its own The Boulder Canyon Project William Joe Simonds,1995 Around Boulder City Cheryl Ferrence,2008-09-01 The original planners of Boulder City Nevada did not expect that the community of workers and engineers would outlast the construction of the great Hoover Dam The subsequent years challenged this assumption however as Boulder City continued to grow and thrive even after the dam was completed and the waters of the Colorado River were harnessed As more families took road trips to visit the dam and other southwestern attractions Boulder City became a tourism hub Shops restaurants and hotels including the famous Boulder Dam Hotel were built and even more visitors flocked to the nearby Lake Mead National Recreation Area after its establishment in 1964 Elton M Garrett aptly described the city in the masthead of his newspaper the Boulder Dam Challenge in 1936 Boulder City Carries On With Spirit With Which Boulder Dam Challenged Rio Colorado **The Hoover Dam** Lesley A. Doherty,1995 A history of the Hoover Dam with an emphasis on basic architecture engineering and mechanical procedures involved in construction **Building Hoover Dam** Andrew J. Dunar,Dennis McBride,2016-06-01 Andrew J Dunar and Dennis McBride skillfully interweave eyewitness accounts of the building of Hoover Dam These stories create the richest existing portrait of the building of Hoover Dam and its tremendous effect on the lives of those involved in its creation the gritty sometimes grisly realities of living in cardboard boxes and tents during several of the hottest Southern Nevada summers on record the fearsome carbon monoxide deaths of tunnel builders who it was claimed had died of pneumonia the uproarious life of nearby Las Vegas versus the tightly controlled existence of the workers in the built overnight confines of Boulder City and of course the astounding accomplishment of building the Dam itself and completing the task not only early but under budget **Boulder Dam** ,1946 *Boulder City* Tiane Marie,2021 During the midst of the Great Depression Boulder City came to life due to the Boulder Dam project which offered people a path of hope This wonderful town s heritage does not end at its buildings or sites for they are just the icing to a richer culture Standing in present time with images of their past will allow those in the community or newcomers a fresh view on the preservation efforts and care that Boulder City represents The Story of Hoover Dam United States.
