Boundless Waters:

The Sea-king John Dunbar Hylton,1900 *Water* Rumi,2025-04-22 A follow up to her ground breaking translations of Rumi in Gold poet and musician Haleh Liza Gafari translates a new selection of work by the great Persian mystic that will muster the soul and stir the spirit Water expands on Gold Haleh Liza Gafari s inspired and widely praised translation of the lyric poetry of the Persian mystic Rumi As in Gold Gafari renders with fluid grace and moving immediacy these indisputable masterworks of world literature drawing on the deep well of Rumi s work to bring out the worldly wit and wisdom that accompany his otherworldly summons Behold the divine within and without he tells us Question the gnawing hunger for material possessions fame and fortune and the fear of emptiness that drives it Muster the soul and experience a more compassionate and liberated state of mind An eco poet before his time Rumi celebrates the immensity and wonder of the natural world while warning us of the havoc that greed and the pursuit of power wreak upon us and our world His flights of dazzling imagery open up heart stopping glimpses of the divine challenging readers to wake from oblivion and above all to surrender to the transformative power of Love Gafari is an acclaimed vocalist and musician as well as a gifted linguist and poet and in her translations Rumi s poetry sings and beckons as nowhere else Hers is the work as the poet Marilyn Hacker has said of someone who is at once an acute and enamored reader of the original Farsi text a dedicated miner of context and backstory and best of all a marvelous poet in English The Argonautika by Orpheus Alexandra Maria Madeła,2024-12-02 Is it possible to be better than Homer For most literary critics in late antiquity the answer was an unequivocal no but the anonymous author of the Argonautika by Orpheus disagreed This book the first English monograph on this late antique epic poem demonstrates that the idea of competing with Homer is central to the Argonautika by Orpheus Through a series of case studies on the poem s diction and compositional technique it proposes a novel approach Since the mythological bard Orpheus is ostensibly the poem s author readers are invited to view it from two perspectives simultaneously as a late antique epic modelled on Homer s works but also a prehistorical model for Homer s works *Old Testament Cosmology and Divine Accommodation* John W. Hilber,2020-04-03 In order to reconcile the discrepancies between ancient and modern cosmology confessional scholars from every viewpoint on the interpretation of the early chapters of Genesis agree that God accommodated language to finite human understanding But in the history of interpretation no consensus has emerged regarding what accommodation entails at the linguistic level More precise consideration of how the ancient cognitive environment functions in the informative intention of the divine and human authors is necessary Not only does relevance theory validate interpretative options that are inherently most probable within the primary communication situation but the application of relevance theory can also help disentangle the complexities of dual authorship inherent in any model of accommodation The results also make a salutary contribution to the theological reading of Scripture Journal of Maurice de Guérin Maurice de Guérin,1891 *Journal* Maurice de Guérin,1891 *Journal, ed. by G.S.
