information on the author at <http://MarkWein.com> *Simply Blues Fingerstyle Guitar* Rick Payne, 2020-03-07 Fingerstyle guitar is one of the most popular and satisfying ways of playing. Use the thumb and fingers to open up the range of sounds that the guitar can produce and you're really flying. This is especially so when playing the blues. You can have a neat bass line while still picking away on a melody in the many different blues styles out there. I've been playing this style for many years and it is certainly one of my favourite ways of either arranging or performing. In this collection I've put together a few of the blues tunes that I've arranged or written. They're all open to improvisation and you should experiment with the styles. All the 18 tunes are supported by audio and some video when available. So put on your blues shoes and let's get picking. Enjoy.
